To Whom It May Concern:

Mr. Tony Strickland of Athletic Construction, Inc. completed laser grading, irrigation, and sodding for four (4) softball / baseball fields in Rabun County, Georgia. His work was completed on time and in accordance with the project specifications.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Harbin', written over the word 'Sincerely,'.

J. Steven Harbin, P.E.  
Project Manager for Rabun County

Carter & Sloop  
CONSULTING ENGINEERS

To Whom It May Concern:

This letter is in regards to the work Mr. Tony Strickland has completed on the football field at Tara Stadium in Clayton County.

Mr. Strickland was selected to perform the football field renovation in 2002. The project included removing the existing turf, providing sand fill material, installing a new automatic irrigation system and sodding the field.

Mr. Strickland was very attentive to even the minor details and was always available to answer questions during the construction phase.

I highly recommend Mr. Strickland for any athletic field renovation or new construction projects. Please contact me at 478-477-3923 if you have additional questions regarding this matter.

Sincerely,

Don L. Carter, P.E.

To Whom It May Concern:

Mr. Tony Strickland of Athletic Construction, Inc. worked for our firm as a subconsultant for sports turf on the Charlie Brooks Park Phase I Improvements, Chatham County, Georgia. He provided information on sports turf seed / sod selection, assisted with evaluation of irrigation water sources, and provided input on sports turf establishment and maintenance.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Harbin', written over a circular scribble.

J. Steven Harbin, P.E.  
Project Manager for Chatham County

To whom it may concern,

This letter pertains to the work Mr. Tony Strickland has completed at Georgia Perimeter College Dunwoody Campus soccer field and my recommendation to your organization considering sports field construction and/or renovations/improvements.

Our office prepared the soccer field renovation design drawings for the mentioned project. Mr. Strickland was the successful low bidder with the Board of Regents. Mr. Strickland performed as a professional and responded to both Owner and Landscape Architect issues in a timely manner. Mr. Strickland's knowledge of sports fields and turf issues help to insure a quality project. Mr. Strickland conformed with project requirements and followed appropriate communication channels. I would highly recommend Mr. Strickland for your next sports field project.

Please feel free to contact me if I can provide any additional information (770-483-1173).

Very truly yours,

Michael W. Breedlove, Principal, FASLA
