

Snakes Are Biotic

Name:

Period:

As you watch the Dirty Jobs segment about snake research, think about how you know that snakes are biotic (living things). In each of the four boxes below, draw examples from the segment that demonstrate that snakes are biotic, and explain why you know this.

I know snakes are biotic because...

I know snakes are biotic because...

I know snakes are biotic because...

I know snakes are biotic because...

Hints: How do the snakes get energy?

What do they use this energy for?
