July-August 2014

Dear praying friends,

I recently preached from I Samuel 22:31, which begins, "As for God, his way is perfect." I am so thankful we serve a God Who knows the best path for each of us. While we may not understand all that comes our way, what a comfort it is to know that God's way is perfect!

Our schedule has slowed down considerably from the previous couple of months due to holidays and the summer season, but we have presented our ministry in three missions conferences and five other churches since our previous letter. In the midst of this, I was also able to complete the Church Planters Conference with BIMl as well. This was quite informative and certainly a time of great encouragement to be able to spend a week with other missionaries on deputation. This came at a time when we needed the spiritual refreshment. Truly, His way is perfect!

We are currently in Maine, staying with a church that we presented in back in December. It has been wonderful to become reacquainted with many of the folks at this church, and to be able to minister in some of their outreach ministries as well, especially in two nursing homes. Another local church had a Vacation Bible School. We presented our ministry at this church a couple of weeks ago, but were invited back to participate in that as well. I believe God blessed this VBS, from the door-to-door distribution to the solid preaching of God's Word. We were not aware of the opportunities to be involved in these ministries when we arrived, but we know His way is perfect!

Brielle is now ten months old! She is trying to say more words now and takes multiple steps at a time. She also finally had her first tooth break through! She has been a joy with her constant smile. Brielle is such a reminder to us that God's way is perfect.

Over the next two months, we will complete our time in Maine, then travel to Ohio, Pennsylvania, North Carolina, and Indiana. God has now provided us with 36% of our support. Praise His name! We are praying to be at 50% this fall. Please pray to this end, and that God will fill our calendar for winter and spring. Please pray also for wisdom for our sending church as they go through multiple transitions in the ministry. I am so glad we know that His way is perfect!

In Christ,

The Childers Family
