## Anilube Examination Lubricant

Vetgene Anilube is a non greasy water based lubricant for use on companion animals.

### Directions for use

**Never mix this product with other chemicals as effectiveness can not be assured.**

Use: Dispense out of a clean bottle onto items that need to be lubricated, before use or insertion. For use in obstetrical, vaginal & rectal exams.

Do not contaminate the container the product is supplied in. Always pour out the correct amount and do not re-introduce used product into the container.

See MSDS or label for more information.
