

Little Harvard Havelock Campus- Summer Camps

We're so excited for our first summer in our new location! Each week will include outdoor play as well as kid's choice art projects and games in addition to special themed activities and field trips. We play outside in all types of weather so we ask that each week your child be sent with sunscreen, sun hat, water bottle, and change of clothes. It may also be useful to send bug spray, a swimsuit and towel so we can play water games. Here is a general outline of what to expect each week of camp!
