BENGAL KITTEN DEPOSIT AGREEMENT

Payment of the Deposit constitutes acceptance by the Purchaser of the terms and conditions of this Deposit Agreement.

DEPOSIT TO RESERVE KITTEN

Purchaser shall pay a deposit of \$300.00 per Kitten (\$500 if Kitten is sold with breeding rights), which shall be applied towards the Purchase Price for the Kitten. The balance shall be due and payable upon the release of Kitten to Purchaser in cash only. If another form of payment is preferred, payment must be received five days before delivery. If Kitten is to be shipped, the balance is due and payable at least 48-hours before the Kitten is shipped to the Purchaser (one week if paid by check). [Note: if the deposit is paid by PayPal, PayPal may charge a fee. If this fee is taken out of the amount we receive, the fee will be added to the balance owed.]

The purpose of the Deposit is to ensure the Purchaser's intent to purchase the Kitten. The Deposit is non-refundable, should the Purchaser, for any reason, change his/her mind and decide not to buy a kitten. This is because the Kitten is being held only for the Purchaser and shall not be sold to another buyer. A breach of this Agreement either verbal, written or through neglect or failure to communicate by the Purchaser can jeopardize the chances of placing the Kitten in a new home, as quickly as possible. For this reason, the deposit is non-refundable, to ensure Purchaser's commitment to purchase the Kitten, pay the balance by the date indicated above and accepted delivery of the Kitten by that time. However, the deposit may be applied towards a future Kitten if buyer is not happy with selection of kittens in upcoming litter.

Bengal Kitten Deposit Agreement can be mailed to below listed address along with deposit (checks accepted).
