Your Pastor's Thoughts

There is something fascinating about watching things grow. For example, think about the joy of watching an infant grow into a toddler. It is also exciting to watch a church grow! Last month I shared how the most important piece to seeing a church grow is prayer. Let's remember to continually pray for the growth and health of our church. Another important aspect is inviting. We must be a church that is regularly inviting people. Very seldom do people wake up on Sunday and decide they are going to church for the first time. People often go because someone invited them. Let's work to be intentional at inviting people to church on a regular basis. Studies have shown that people have to be invited an average of ten times before they will go to church. Let's work the second part of this church growth puzzle together and trust the Lord with the results. Won't it be wonderful to see people coming to know Jesus as their Savior and watching them grow spiritually? Will you help?

In Christ, Pastor Pete

PUTNAM COUNTY MEDICAL MISSION

The Putnam County Medical Mission in our church meets the needs of people without insurance. The clinic now has two locations and is open the first and third Thursday of the month from 5:00 to 8:00 pm in our building and 3 Mondays a month at 114 Amos Rd in Crescent City. Our Pastor currently serves on the Board of Directors and many of our members serve as volunteers, nurses and prayer warriors. This program truly reaches the needs of people in our community.

There are still lots of ways for you to participate. Prayer Team: Add PCMM to your daily prayer list. Phone Support: Answer the clinic calls remotely, provide basic information and send messages as needed. Receptionist: Greet patients. Eligibility Specialist: Become certified by the Health Department to complete eligibility paperwork. Office Support: Assist with patient data entry into the electronic medical record; assist with patient sign out procedures, other office needs. Medical Assistant / Nurse: Provide patient care triage and assist Provider as needed. Staff arrives at 3pm for set up. Come by, check it out and join in the mission. You may contact Mary Ann Cox at 386-269-9786 or check out the webpage at www.putnamcountymedicalmission.org. Volunteers are still needed.

Please remember to pray for this mission and the lives it touches.

Thank you to all of the singers who participated in the Sunday Night Sing on July 29th. It was indeed a wonderful evening and we will do it again on September 30th. Also, a GIANT thank you for the absolutely beautiful arrangements of red and white roses that were presented to Mavis and me at the end of the service. What a glorious surprise and honor. We do indeed love our church family.
Jeannie and Mavis.
