

Products That You Can Feel Good About

BIODEGRADABLE

Made of biodegradable material. Each item can naturally degrade and breakdown. [Page 2](#)

RPET

Made from post-consumer plastic bottles. Recycled polyester is obtained by melting down existing plastic bottles and creating new polyester fiber. [Page 3](#)

MADE WITH WHEAT

Each item is made with wheat straw polypropylene composite material, a lightweight plastic-alternative. The wheat fibers used in the collection are an alternative material composed of reclaimed stalks from harvested wheat that is renewable and sustainable.
