

## Town of Limerick

### Earned Paid Leave Accounting Ordinance

The purpose of this ordinance is to have the unexpended balance for the Earned Paid Leave Account roll over to the same account at the end of each fiscal year, rather than lapsing to the undesignated fund balance.

#### Procedure:

Effective starting with the 2024-2025 fiscal year and until this Ordinance is repealed, any unexpended funds remaining in the Earned Paid Leave Account, E02-13-02, title 26 § 637, at the end of the fiscal year, shall be automatically carried forward into the following year.
