

### Afterglow

*I'd like the memory of me to be a happy one.  
I'd like to leave an afterglow of smiles  
when life is done.  
I'd like to leave an echo whispering  
softly down the ways,  
Of happy times and laughing times  
and bright and sunny days.  
I'd like the tears of those who grieve,  
to dry before the sun;  
Of happy memories that I leave  
when life is done.*

### An Angel

An angel lived among us,  
A gift from God above.  
She showered us with kindness  
And shared with us her love.  
She cherished every moment  
With the man who was her life;  
Walking hand in hand together,  
Facing life with all its strife.  
She loved her family dearly,  
Each one a different way,  
Nestled close within her heart.  
Though, now, she's far away.  
She's gone to live with Jesus.  
But, she's here with us, today,  
Smiling down on every one of us,  
And telling us she's O.K.
