

APPENDIX B: PRESENTATIONS

Presented by the following sections: In-Person Courses, Webinars and On-Demand education in reverse chronological order

In-Person Courses:

2018

November 2018	Early Intervention with AAC ASHA Boston, MA
November 2018	Positioning the Head Pediatric Power Mobility WI Schools, Stealth Products Wisconsin Dells, WI
November 2018	Dynamic Seating Numotion, Seating Dynamics Irvine, CA
October 2018	Pediatric Power Mobility Region 4, Stealth Products Houston, TX
September 2018	Positioning the Head Secondary Supports Pediatric Power Mobility Numotion, Stealth Products St. Louis, MO
August 2018	Positioning the Head Secondary Supports Power Wheelchair Alternative Driving Methods Travis Medical, Stealth Products Corpus Christ, TX Victoria, TX
July 2018	Positioning and Mobility for Complex Clients (pre-conference) Seating and Wheeled Mobility: a new resource RESNA Arlington, VA
June 2018	Positioning the Head Switch Assessment TX AT Network conference Houston, TX

- May 2018 Secondary Supports
Positioning the Head
Wheelchair Backs
Numotion, Stealth Products
Philadelphia, PA
- April 2018 Positioning for Function
Positioning the Head
Switch Assessment
Pediatric Power Mobility
TIES conference
Eugene, OR
- April 2018 EADLs and Switch Assessment
Lifescape
Sioux Falls, SD
- March 2018 Dynamic Seating (pre-conference)
Power Wheelchair Alternative Driving Methods (pre-conference)
International Seating Symposium
Vancouver, BC
- February 2018 Dynamic Seating
Travis Medical, Seating Dynamics
Georgetown, TX
- February 2018 Positioning the Head
Dynamic Seating
Wheelchairs and Speech Generating Devices
National Seating and Mobility
Oklahoma City, OK
- 2017
- Dec 2017 Positioning, Mobility, and Switch Access in the School Setting
Harris Department of Education
Houston, TX
- Nov 2017 Dynamic Seating
NuFair, Seating Dynamics
Portland, OR
Seattle, WA
- Nov 2017 3 Ways to Keep Your Client's Head Up
Wheelchair Seating and Secondary Supports: are we promoting function or tying
the client down?
Power Mobility: Alternative Driving Methods
Great American Mobility, Stealth Products
Houston, TX

- Oct 2017 Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down?
Power Wheelchair Driving Methods for Your Toughest Clients
NuFair, Stealth Products
Boston, MA
- Sept 2017 3 Ways to Keep Your Client's Head Up
Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down?
Numotion, Stealth Products
Ft. Wayne, IN
- Aug 2017 3 Ways to Keep Your Client's Head Up
Power Wheelchair Driving Methods for Your Toughest Clients
Alliance Rehab, Stealth Products
Branson, MO
- July 2017 Power Mobility: Alternative Driving Methods
Stealth Products
Nashville, TN
- July 2017 Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down?
NuFair, Stealth Products
Atlanta, GA
- May 2017 Power Mobility: Alternative Driving Methods
Stealth Products
Riverside, CA
- May 2017 Power Wheelchair Driving Methods for Your Toughest Clients
NuFair, Stealth Products
Philadelphia, PA
- May 2017 Power Mobility: Alternative Driving Methods
Stealth Products
Baltimore, MD
- May 2017 Alternative Driving Methods: What's New?
Canadian Seating and Mobility Conference
Toronto, Canada
- March 2017 Dynamic Seating
NuFair, Seating Dynamics
Salisbury, MD
- March 2017 Positioning the Head

Dynamic Seating (pre-conference session)
International Seating Symposium
Nashville, TN

Feb 2017 Power Mobility: Alternative Driving Methods
Stealth Products
Houston, TX

Feb 2017 Positioning for Function
Numotion, Stealth Products
Houston, TX

2016

Dec 2016 Switch Assessment
Infinitec
Wichita, KS

Nov 2016 Pediatric Seating
NuFair, Stealth Products
Dallas, TX

Nov 2016 Positioning for Function
TIRR, Stealth Products
Houston, TX

Nov 2016 Pediatric Power Mobility
Numotion, Stealth Products
Seattle, WA
Portland, OR

Sept 2016 Power Wheelchair Driving Methods for Clients with Increased Tone
Pediatric Seating
NuFair, Stealth Products
Indianapolis, IN

Sept 2016 Pediatric Seating
Pediatric Power Mobility
Stealth Products
Baltimore, MD

July 2016 Switch Assessment
Green River Regional Educational Cooperative
Bowling Green, KY

July 2016 Power Wheelchair Driving Methods
Positioning the Head
RESNA
Arlington, VA

June 2016	Dynamic Seating Head Positioning Sleep Positioning Numotion Philadelphia, PA
June 2016	Positioning for Function Stealth Products Duluth, MN
March 2016	Power Wheelchair Driving Methods for Clients with Muscle Weakness International Seating Symposium Vancouver, BC
Jan 2016	Positioning for Function Stealth Products Sioux Falls, SD
Jan 2016	Switch Assessment Infinitec Palatine, IL Tinley Park, IL
<u>2015</u>	
Nov 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Seattle, WA
Nov 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Portland, OR
Nov 2015	Positioning the Head NuFair Stealth Products Dallas, TX
Oct 2015	Advanced Seating and Mobility (2 day course) RESNA/MedTrade Atlanta, GA

- Oct 2015 Power Wheelchair Alternative Driving Methods: what's new?
MedTrade
Stealth Products
Atlanta, GA

- Oct 2015 Advanced Seating and Mobility (2 day course)
Rusk Rehab
Columbia, MO

- Oct 2015 Alternative Drives, Dynamic Seating, Positioning the Head and Pediatric Seating
Numotion
Springfield, MO

- Oct 2015 Positioning the Head
Power Mobility: Alternative Driving Methods for Clients with Increased Muscle
Tone
Closing the Gap
Stealth Products
Bloomington, MN

- Oct 2015 Positioning the Head
Power Mobility: Alternative Driving Methods for Clients with Increased Muscle
Tone
NuFair
Stealth Products
Long Beach, CA

- Oct 2015 Alternative Drive Controls
Long Beach VA
Stealth Products
Long Beach, CA

- Sept 2015 Alternative Drive Controls
NuFair
Stealth Products
Lansing, MI

- Sept 2015 Alternative Drive Controls
Good Shepherd
Stealth Products
Allentown, PA

- Sept 2015 Fundamentals Course
Palo Alto VA
RESNA
Palo Alto, CA

- Sept 2015 Positioning for Function

	Stealth Products Temecula, CA
Sept 2015	Positioning for Function San Diego School District Stealth Products San Diego, CA
Aug 2015	Alternative Drive Controls Rancho Los Amigos Stealth Products Downey, CA
Aug 2015	Alternative Drive Controls Positioning for Function Stealth Products/Big Sky AMES Anaconda, MT
July 2015	Power Wheelchair Assessment Numotion Tampa, FL
July 2015	Building Consensus National Seating and Mobility annual symposium Nashville, TN
June 2015	Switch Assessment Basic EADLs RESNA Annual Conference Denver, CO
June 2015	Switch Assessment and Mounting Positioning for Access TATN Dallas, TX
May 2015	Positioning the Head Alternative Drives for Clients with Increased Muscle Tone Stealth Products NuFair Spokane, WA
April 2015	Alternative Drives Stealth Products Waco, TX
March 2015	Power Wheelchair Assessment and Access Numotion

Cape Girardeau, MO

March 2015 Power Wheelchair Assessment and Access
Numotion
St. Louis, MO

Feb 2015 Power Mobility: Alternative Drive Controls
Controlling Speech Generating Devices through a Power Wheelchair
International Seating Symposium
Nashville, TN

Feb 2015 Positioning the Head
Alternative Drive Controls for Clients with Increased Muscle Tone
Stealth Products/Travis Medical
Round Rock, TX

Feb 2015 Switch Assessment
United Cerebral Palsy
Chicago, IL

Jan 2015 Positioning for Function
Stealth Products
NuFair
Seattle, WA

Jan 2015 Positioning for Function
Stealth Products
NuFair
Portland, OR

2014

Oct 2014 Advanced Seating and Mobility
RESNA
Atlanta, GA

Oct 2014 Fundamentals in Assistive Technology
RESNA
Phoenix, AZ

Sept 2014 Fundamentals in Assistive Technology
RESNA
Boston, MA

Aug 2014 Alternative Drive Controls
Stealth
Branson, MO

July 2014 Beyond the Basics

Numotion
Atlanta, GA

June 2014 Power Wheelchair Assessment Instructional Course
Switch Assessment workshop
RESNA
Indianapolis, IN

May 2014 Fundamentals in Assistive Technology
RESNA
Newark, NJ

April 2014 Switch Assessment and EADLs
Owensboro and Eddyville, KY

April 2014 Advanced Seating and Mobility
RESNA
Orlando, FL

March 2014 Pediatric Seating and Mobility
Ft. Mitchell, KY

March 2014 Positioning for Function
Stealth Products
Portland, OR

March 2014 Alternative Access Methods
Numotion/Stealth Products
Phoenix, AZ

Jan 2014 Keynote at Annual Meeting
Rehab Medical
Indianapolis, IN

2013

Nov 2013 Restraints vs. Secondary Supports
Bodypoint
Seattle, WA and Portland, OR

Oct 2013 Advanced Seating and Mobility 2 day course
RESNA
Atlanta, GA

Oct 2013 Pediatric Power Mobility
Cook Children's Hospital
Ft. Worth, TX

Oct 2013 Positioning for Function

	Stealth Products Morgantown, WV
Sept 2013	Power Wheelchairs: Advanced Applications Miller's Akron, OH
Sept 2013	Fundamentals in Assistive Technology RESNA Jackson, MI
Sept 2013	Positioning for Function Stealth Products McAllen, TX
July 2013	Positioning for Function Stealth Products Round Rock, TX
June 2013	Positioning for Function Stealth Products Los Angeles, San Diego, CA
June 2013	Augmentative Communication: access, mounting and interfacing (full day) SWAAAC Summer Symposium Denver, CO
April 2013	Positioning for Function Stealth Products St. Louis, Springfield, MO
April 2013	Positioning for Function Stealth Products Los Angeles, San Diego, CA
March 2013	Positioning for Function Stealth Products Missoula, MT
March 2013	Pediatric Power Mobility Abilities Expo Los Angeles, CA
March 2013	Advanced Power Wheelchair Applications Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking International Seating Symposium Nashville, TN

Feb 2013	Positioning and Mobility Guest Lecture, Occupational Therapy Class Colorado State University, CO
Feb 2013	Positioning Assessment NuMotion Annual Conference Las Vegas, NV
Feb 2013	Positioning for Function Stealth Products Birmingham, AL; Atlanta, GA
<u>2012</u>	
Nov 2012	Positioning for Function Stealth Products Tampa, Orlando, Miami, FL
Oct 2012	Switch Assessment Putting the Pieces Together Closing the Gap Minneapolis, MN
Sept 2012	Fundamentals in Assistive Technology Course RESNA Ft. Worth, TX
Aug 2012	Positioning for Function Rehab Rally Chicago, IL
Aug 2012	Power Wheelchairs: Advanced Applications ATG Rehab Bethany, OK
August 2012	Switch Assessment, Electronic Aids to Daily Living and AAC Mounting Dallas, TX
July 2012	Positioning for Function Stealth Lafayette, CO
June 2012	Switch Assessment for Type and Location and Switch Mounting Using Power Wheelchairs to Access the Computer and Speech Generating Devices Texas AT Network Statewide Conference Houston, TX
June 2012	Fundamentals in Assistive Technology Course

- Power Wheelchair Assessment Instructional Course
A New Position Paper: Application of Wheelchairs, Seating Systems and
Secondary Support for Positioning vs. Restraints workshop
Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking
Technology in Switch Driving workshop
RESNA
Baltimore, MD
- May 2012 Pediatric Power Mobility
ATG Rehab
Hartford, CT
- May 2012 Power Wheelchairs: Advanced Applications
ATG Rehab
Boston, MA
- April 2012 Electronics Aids to Daily Living with Young Children and in the Classroom
HomeCEUConnection.com
- 2011
- Oct 2011 Pediatric Power Mobility
ATG Rehab
Santa Clara, San Mateo, Salinas, CA
- Oct 2011 Power Wheelchair Assessment
Switch Assessment
EADLs (2 day course)
Center for Discovery
Harris, NY
- Sept 2011 Access to Mobility and Assistive Technology in the Classroom Setting: Practical
Applications
AbleNet
Austin, TX
- July 2011 Enhancing Functional Outcomes through Seating and Positioning
Rehab Rally Conference and Expo
Orlando, FL
- April 2011 Pediatric Power Mobility
Navigating the Care of the Medically Fragile Child
Boston, MA
- April 2011 Alternative Access Methods for Power Wheelchairs
MedGroup
Las Vegas, NV
- March 2011 Power Mobility Assessment

ATG Rehab
Philadelphia, PA

March 2011 Access to Mobility and Assistive Technology in the Classroom Setting: practical applications
Ablenet
King of Prussia, PA

March 2011 Power Wheelchair Assessment
International Seating Symposium
Nashville, TN

Feb 2011 Access to Mobility and Assistive Technology in the Classroom Setting: practical applications
Ablenet
Dallas and Houston, Texas

2010

Nov 2010 RESNA Fundamentals in Assistive Technology Course
MedTrade
Atlanta, GA

Nov 2010 Access to Mobility and Assistive Technology in the Classroom Setting: practical applications
Ablenet
Ft Lauderdale, Gainesville and Tallahassee, FL

Sept 2010 Seating for Function
ATG Rehab
Colorado Springs, CO

August 2010 Access to Mobility and Assistive Technology in the Classroom Setting: practical applications
Ablenet
Tampa, FL

June 2010 This Isn't Your Grandma's Power Chair
ATG Rehab
Denver, CO

May 2010 Access to Mobility and Assistive Technology in the Classroom Setting: practical applications
Ablenet
Orlando, FL

April 2010 Pediatric Power Mobility
ATG Rehab
Loveland, CO

April 2010	Seating for Function ATG Rehab Memorial Hospital Colorado Springs, CO
March 2010	Power Mobility Assessment Pride Mobility Nashville, TN
March 2010	Seating for Function New Mexico Annual Technology Conference Albuquerque, NM
Feb 2010	Using Power Wheelchair Electronics to Access Speech Generating Devices and Computers Mounting Assistive Technology Devices to Wheelchairs Lakeview School Edison, NJ
Jan 2010	Pediatric Seating and Mobility Therapeutic Services New York, NY
<u>2009</u>	
Oct 2009	Seating for Function ATG Rehab Rocky Hill, CT
Aug 2009	Fundamentals in Assistive Technology Course RESNA Anchorage, AK
June 2009	Pediatric Power Mobility RESNA New Orleans, LA
May 2009	Med Group Conference Switch Assessment Denver, CO
May 2009	New power wheelchair electronics Canadian Seating and Mobility Conference Toronto, Canada
May 2009	Seating Mobility New Mexico Annual Technology conference

Santa Fe, NM

- April 2009 Ablenet
Assistive Technology in the Classroom
LA County School District
Los Angeles, CA
- March 2009 New Power Wheelchair Electronics
International Seating Symposium
Orlando, FL
- Feb 2009 New power wheelchair electronics: clinical applications
United Seating and Mobility
Annual Sales Meeting
Tucson, AZ
- 2008
- Dec 2008 Power wheelchair electronics
Internal Staff Training
Quantum Rehab
PA
- Nov 2008 Pediatric Wheelchair Seating (full day course)
Mayo Clinic
Rochester, MN
- Oct 2008 Location, Location, Location! Determining the Best Switch Location and Type for
Access to Assistive Technology
Tom and Jerry: Using the Power Wheelchair to Control the Computer Mouse
Closing the Gap
Minneapolis, MN
- Oct 2008 Electronic Aids to Daily Living
Occupational Therapy Association of Colorado
Northglenn, CO
- June 2008 New Power Wheelchair Electronics
Pediatric Powered Mobility Position Paper
RESNA
Washington, DC
- June 2008 AT Applications for Challenging Individuals
Collaborative Assistive Technology Conference of the Rockies
Denver, CO
- April 2008 Access to Mobility and Assistive Technology in the Classroom Setting: practical
applications
(with Ginny Paleg) (4 days)

- Ablenet/Otto Bock
New York, NY
- April 2008 Introduction to Assistive Technology
Lecture
Occupational Therapy Department, Colorado State University
Ft. Collins, CO
- March 2008 Interfacing
Abilities Expo
Edison, NJ
- Feb 2008 Switch Assessment
Colorado Department of Education Motor Conference
Denver, CO
- Jan 2008 Pediatric Power Mobility
Assistive Technology Group
El Monte, Riverside, Santa Ana, Ventura, CA
- 2007
- Nov 2007 Pediatric Power Mobility
Assistive Technology Group
Lakewood, CO
- Oct 2007 Pediatric Power Mobility
Assistive Technology Group
Hartford, Westport, CT
Worcester, Raynham, MA
- Sept 2007 Pediatric Power Mobility
Assistive Technology Group
Sacramento, Stockton, Palo Alto, Salinas, CA
- July 2007 Pediatric Power Mobility
Omaha, NE
- June 2007 A Comprehensive Approach to Assistive Technology for Persons with ALS
Auditory - Visual Scanning: What Is It? How Do We Teach It?
Collaborative Assistive Technology Conference of the Rockies
Denver, CO
- May 2007 Review Course for ATS/ATP Credential
University of Pittsburgh
Alexandria, LA
- April 2007 Fundamentals in Assistive Technology Course (4 days)
RESNA

Singapore

March 2007

Pediatric Seating and Positioning
New power wheelchair electronics
RESNA Position Papers
International Seating Symposium
Orlando, FL

Feb 2007

Review Course for ATS/ATP Credential
University of Pittsburgh
Denver, CO

2006

Oct 2006

Switch Assessment: Determining Type and Location
Wheelchair Mounting Systems for Communication Devices and Computers
Canadian Seating and Mobility Conference
Toronto, Canada

Oct 2006

Complex Client: Power Mobility Needs
Sunrise Medical
Denver, CO

Sept 2006

Switch Assessment
EADLs
Johnston, IA

Aug 2006

Complex Client: Power Mobility Needs
Sunrise Medical
Pittsburgh, PA

June 2006

Switch Assessment
RESNA Annual Conference
Atlanta, GE

June 2006

Switch Apprentice: Power Mobility and EADLs
The Collaborative Assistive Technology Conference of the Rockies
Denver, CO

April 2006

Advanced Applications in Power Mobility
National Seating and Mobility Seating Symposium
Scottsdale, AZ

March 2006

Power Mobility: Connecting Clinical Needs to Assistive Technology
What's New in Power?
Sunrise Medical
Houston, TX

March 2006

Increasing Independence across the Ages

CSUN
Los Angeles, CA

2005

- August 2005 Advanced Clinical Education for the RTS
NRRTS 2005 Educational Conference
St. Louis, MO
- April 2005 Interfacing Assistive Technology with Power Wheelchairs
New Mexico Technology Assistance Program
Annual Conference
Albuquerque, NM
- March 2005 Electronic Aids to Daily Living: providing independent control of devices in the
environment
CSUN annual conference
Northridge, CA
- Jan 2005 Power Wheelchair Access Evaluation and Programming
Interfacing Assistive Technology and Power Wheelchairs
International Seating Symposium
Orlando, FL

2004

- Nov 2004 Wheelchair Evaluation Training
New Mexico Technology Assistance Program
Las Cruces, NM
- Oct 2004 Wheelchair Evaluation Training
New Mexico Technology Assistance Program
Albuquerque, NM
- June 2004 Assistive Technology and Motor Access
Positioning, Mobility and Computer Access
The Collaborative Assistive Technology Conference of the Rockies
Denver, CO
- June 2004 Interfacing Assistive Technology with Power Wheelchairs
RESNA annual conference
Orlando, FL
- March 2004 Electronic Aids for Daily Living
Technological Life Resources: More than Machinery
Grand Rapids, MI

2003

- Oct 2003 Basic EADLs
Closing the Gap

Minneapolis, MN

- Oct 2003 Fundamentals in Assistive Technology Course
MedTrade
Atlanta, GE
- June 2003 24 Hour Postural Management: Positioning in Sleep
Fundamentals of the Medical Model: Applications of Assistive Technology for
Different Diagnoses
Annual SWAAAC Conference
Winter Park, CO
- June 2003 Electronic Aids to Daily Living: What's in a Name?
RESNA
Atlanta, GE

2002

- Nov 2002 Power Mobility access
Achieving New Heights with Assistive Technology
Aurora, CO
- Oct 2002 Fundamentals in Assistive Technology Course
MedTrade
Atlanta, GE
- Oct 2002 Switch Access & Assessment
Closing the Gap
Minneapolis, MN
- Sept 2002 Switch Access & Mobility Assessment
Wichita, KS
- Aug 2002 Electronic Aids to Daily Living
Switch Access & Assessment
Pediatric Assistive Technology & Rehab Symposium
Richmond, VA
- June 2002 Switch Access and Assessment
The Interfacing of AT and Power Wheelchairs: Exploring Advances in Electronics
RESNA annual conference
Minneapolis, MN
- June 2002 Switch Access and Assessment
Interfacing Power Wheelchairs and Assistive Technology Devices
SWAAAC annual conference
Winter Park, CO

2001

- Oct 2001 Electronic Aids to Daily Living
Achieving New Heights with Assistive Technology
Aurora, CO
- Oct 2001 Assistive Technology Training
Switches and Assessment
Augmentative Communication Devices: Access
Interfacing Assistive Technology with Power Wheelchairs
New York Board of Education
Brooklyn, NY
- Sept 2001 Switches: Assessment for Type and Location
Seating People with Acquired Brain Injuries
Canadian Seating and Mobility Conference
Toronto, Ontario
- Sept 2001 Training Pre-Mobility and Mobility Skills for Kids in Power Wheelchairs
Interfacing Assistive Technology Devices with Power Wheelchairs
Switch Access Assessment for Type and Placement of the Switch
Heartland Conference
Waterloo, IA
- June 2001 Interfacing Assistive Technology with Power Wheelchairs
Pre-conference session
RESNA
Reno, NV
- June 2001 Positioning: the basis for accessing assistive technology
SWAAAC annual conference
Breckenridge, CO
- April 2001 RESNA Fundamentals in Assistive Technology Course
Boise, ID
- April 2001 Positioning, Mobility Access and Interfacing
Power Up!
Columbia, MO
- March 2001 Electronic Aids to Daily Living Keynote address
Switches and Assessment
Grand Junction, CO
- 2000
- Nov 2000 Tone and Technology
Building Bridges with Assistive Technology
Aurora, CO
- Oct 2000 Wheelchair Positioning

Power Wheelchair Access Methods
Power Wheelchair Interfacing
2 day course
Missoula, MT

Sept 2000 Advanced Mobility
Advanced Interfacing
2 day course
The Heartland Conference
Topeka, KS

June 2000 Switch Assessment: Type and Location
2000 SWAAAC Conference
Breckenridge, CO

April 2000 New Solutions in Seating and Mobility
Updates on Cerebral Palsy Treatment
Denver, CO

April 2000 Electronic Aids to Daily Living: an Overview
Seating Strategies
American Occupational Therapy Association Annual Conference
Seattle, WA

1999

Nov 1999 Wheelchair Mounting Systems for Communication Devices
Mission Possible: Building Bridges with Assistive Technology
Denver, CO

Nov 1999 Positioning and Mobility: an Overview
AOTA SIS Practice Conference
Reno, NV

Oct1999 Positioning, Mobility and Interfacing Assistive Technology
Preconference workshop
Closing the Gap
Minneapolis, MN

Oct 1999 An Overview: Electronic Aids to Daily Living
Electronic Aids to Daily Living for Children
ATIA World Conference
Orlando, FL

Sept1999 RESNA Fundamentals in Assistive Technology Course
Toronto, Ontario, Canada

June 1999 Electronic Aids to Daily Living Lab
RESNA

Long Beach, CA

- May 1999 Assistive Technology Course
 Grafton, ND
- April 1999 Electronic Aids to Daily Living Lab
 Assistive Technology Lab
 American Occupational Therapy Association annual conference
 Indianapolis, IN
- April 1999 RESNA Fundamentals in Assistive Technology Course
 Banff, Alberta Canada
- March 1999 The Baclofen Pump and Positioning
 Botox Injection: A Case Study
 Interfacing Assistive Technology with Power Wheelchairs
 International Seating Symposium
 Orlando, FL
- 1998
- Oct 1998 Principles of Wheelchair Seating
 University of Iowa
 Iowa City, IO
- Sept 1998 Introduction to Electronic Aids to Daily Living
 Interfacing with Power Wheelchairs
 Canadian Seating and Mobility Conference
 Toronto, Ontario
- June 1998 Environmental Control Lab
 RESNA
 Minneapolis, MN
- May 1998 Interfacing Assistive Technology to Power Wheelchairs
 Mounting Switches and Communication Devices to Wheelchairs
 Colorado Assistive Technology Project annual conference
 Denver, CO
- April 1998 Another Way to Do It...Environmental Control Units
 The Interagency Project for Assistive Technology
 Fargo, ND
- 1997
- Nov 1997 Introduction to Assistive Technology for Children with Special Needs
 Teleconference for the Health Care Program for Children with Special Needs
 Denver, CO
- Oct1997 Environmental Controls: Comprehensive Review of Available Systems

- Full-day instructional course
Elkgrove, IL
- Aug 1997 Environmental Controls: Comprehensive Review of Available Systems
Environmental Controls for Children
Keys to Independence...Assistive Technology for All Generations Conference
Jamestown, ND
- June 1997 Seating the Challenging Client
Powered Mobility Access Methods
RESNA
Pittsburgh, PA
- May 1997 The Assistive Technology Assessment Process: Who, What, Where, Why and How
An Introduction to Power Mobility
An Introduction to Positioning
Environmental Controls for Children
Access Options for Quadriplegia
Mission Possible! Colorado Assistive Technology Project
Denver, CO
- 1995
- Oct 1995 Intervening Early with Assistive Technology: Practical solutions to foster
functional abilities
Environmental Controls: Sorting Through Those Devices
Closing the Gap
Minneapolis, MN
- Sept1995 Environmental Control Units and Occupational Therapy
Occupational Therapy Association of Colorado annual conference
Denver, CO
- July 1995 Assessment in Augmentative and Alternative Communication
Class at the University of Colorado.
Boulder, CO
- April 1995 The IntelliKeys Alternative Computer Keyboard and Software
Environmental Control Systems
Assistive Technology Lab
The American Occupational Therapy Association
Denver, CO
- 1994
- Sept1994 Early Identification of Assistive Technology Needs
Current Trends in Assessment.
Colorado Speech and Hearing Association state conference.
Denver, CO

- July 1994 Access to Technology
Assessment in Augmentative and Alternative Communication
Guest lecture
Boulder, CO
- 1992
June 1992 Assistive Technology Clinics
RESNA annual conference
Toronto, Canada
- 1991
Sept 1991 The Basics of Positioning and Mobility
Annual Colorado Assistive Technology Project Conference
Denver, CO
- March 1991 Promoting Choice in the Selection of Assistive Technology Devices
California State University at Northridge annual conference
Northridge, CA
- 1990
May 1990 Toys and Computers: Enhancing Children's Play
ABC Conference/Early Childhood Collaborative Conference
Westminster, CO
- April 1990 Available Environmental Control Systems and Choosing the Right One
Unlocking the Environment through Assistive Technology
Annual Assistive Technology Conference
Northglenn, CO
- 1989
Jan 1989 Guest lecture for University of Southern California Occupational Therapist
graduate class
Overview of rehabilitation technology
Los Angeles, CA
- 1988
Nov 1988 Computer Access for Orthopedically Disabled Persons - an overview of adaptive
hardware
Occupational Therapy Association of California's annual conference
Irvine, CA
- Nov 1988 Computer Access Evaluation for Orthopedically Disabled Persons
Computer Technology/Special Education /Rehabilitation Conference
Northridge, CA
- Sept 1988 Environmental Control Units - Evaluation and overview of available systems
California Children Services
El Monte, CA

- Sept 1988 Funding of Technology for Individuals
Computer Access Center
Santa Monica, CA
- July 1988 Toys and adaptations: what's available
Technology for Tots/Junior Foundation for the Blind
Los Angeles, CA
- 1987
- Dec 1987 Microcomputer Access Evaluation
California Children Services
Sierra Madre, CA
- March 1987 Adaptive Microcomputer Access
Byron E. Thompson Orthopedically Handicapped School
El Monte, CA

Webinars:

2018

- December 2018 How does Cortical Visual Impairment impact access?
AbleNet
- December 2018 The Importance of Early Mobility
OccupationalTherapy.com
- November 2018 How do I develop scanning skills?
AbleNet
- November 2018 Providing Alternative Positioning in Preschool
Early Childhood Education
- October 2018 Positioning the Lower Extremities
Numotion / Stealth Products
- October 2018 Positioning the Trunk
Numotion / Stealth Products
- October 2018 How do I develop switch skills?
AbleNet
- October 2018 Providing Independent Play and Participation for Young Children with Physical
Impairments
Early Childhood Education
- September 2018 Augmented Power Mobility - bringing mobility to our youngest children
Early Childhood Education

September 2018	How do I determine what type of switch the student can use? AbleNet
September 2018	Ensuring optimal positioning for function for the young child Early Childhood Education
September 2018	Positioning the Pelvis Numotion / Stealth Products
August 2018	How do I determine where the student can access a switch? AbleNet
August 2018	Dynamic Seating to Prevent Client Injury and Equipment Breakage Numotion / Seating Dynamics
July 2018	Why is the student having difficulty with Eye Gaze? AbleNet
July 2018	Secondary Supports Numotion / Stealth Products
June 2018	Electronic Aids for Daily Living for Young Children and in the Classroom HomeCEUConnections
June 2018	Dynamic Seating for Clients who have Increased Tone or are Seeking Movement Numotion / Seating Dynamics
June 2018	Why is the student having difficulty with Direct Access? AbleNet
June 2018	Pediatric Power Mobility Numotion / Stealth Products
May 2018	How do I determine how the student can access augmentative communication? AbleNet
May 2018	Positioning the Pelvis OccupationalTherapy.com
April 2018	Non-Proportional Driving Methods Numotion / Stealth Products
April 2018	Positioning the Head OccupationalTherapy.com
April 2018	Proportional Driving Methods Numotion / Stealth Products

April 2018	How can I provide independent play in the classroom for my youngest students? AbleNet
March 2018	Positioning the Head Numotion / Stealth Products
March 2018	How do I address poor head control in the seating system? AbleNet
March 2018	Power Wheelchair Assessment Numotion / Stealth Products
February 2018	How do I provide alternative positioning in the classroom? AbleNet
January 2018	Pre-Mobility and Mobility Training HomeCEUConnections
January 2018	Keeping it Proportional - Alternative Joystick Options NRRTS / Stealth Products
January 2018	How do I know if the student is positioned adequately in their mobility base? AbleNet
January 2018	Early Mobility and Its Importance in Child Development HomeCEUConnections
<u>2017</u>
