From The Community Spiritual Director

Easter. Peeps, chocolate bunnies, egg hunts, Reese's eggs, elaborate productions, fancy clothes, baskets full of toys and candy, family portraits. Our family has many traditions and I know yours probably does too. These are all good things and I hope you get to take part in each of them. I sometimes wonder how they were able to even have that first Easter without any of these things. As much as we enjoy our traditions, I cannot imagine the joy and wonder and excitement of that first Easter! Can we emulate some of that excitement this year? Not because of the joy of watching the kids, or being inspired by the music or the productions, but because we remember how that

first Easter changed everything. It did, you know. It changed the future of each person who has ever lived. Some may deny it, some may not even know it, but it changed how everyone is called to live. As I read through the 24th chapter of Luke in preparation for this special day on the calendar, one verse stood out to me. One that we don't often associate with the story of Cleopas and his travelling companion. It is verse 34. It says simply, "It is true! The Lord has risen and has appeared to Simon." It is true! That's really all I need to hear. Finding the egg with the treasure inside couldn't compare to the joy this three-letter statement brings. Having a family portrait where all the kids have their eyes open and none of them have their mouths twisted out of proportion is a miracle in itself but it is not even close to the unbelievable difference those three words make. Being the star of the church play is a high honor but being a child of the one who defeated death is a role that we are each called to live out in real life. I hope you are excited about Easter. Actually, I hope you are excited about each day, because the resurrection of Christ is not to be celebrated one day a year. It is true! He is risen! He is risen indeed! It changes everything. It changes us. It changes the way we live. We live as children of the resurrection! We live as children who have been given hope and a future! Thanks be to God!

Sponsorship

Please be in prayer for our Spring Walks. It is not too soon to begin thinking about who you might sponsor for the upcoming walks. Sponsoring is one of the most important aspects of the Walk to Emmaus. As you pray commit the process to God and let Him give you direction, then commit yourself to follow where he leads you.

If you have any questions about sponsorship, please contact our Sponsorship Coordinator, **Bill Henry (Oh)** (bill.henry31@gmail.com).

Come gather with us every **4th Tuesday of the month at 7pm** at the Washington United Methodist Church in Maysville, Ky. Join us in praise and worship; and of course, where Emmaus meets, Emmaus eats! Bring a covered dish and join us afterwards as we share a meal!
