

General Rehearsal Guidelines (Blocking)

- For General Rehearsal (Blocking) all dancers will need to be in regular dance clothes (NO COSTUMES) and have all the shoes they need for the performance. T-shirts and shorts are not acceptable.
- In order to keep a schedule, **please arrive at least 15 minutes before the time your child is to be on stage**. Some classes may not use the entire time allotted.
- Be sure to look over the schedule carefully, especially if your child also attends Hip Hop class. The times vary and may not be immediately following your child's combo class.
- All students will sit with their class in a designated row. Look for your child's class name on the seat back of the chair.
- **Only parents/guardians are allowed to attend the General Rehearsal.** Please do not bring other family members or friends to the rehearsals. We will need cooperation and patience from the parents as well as the dancers. Thanks for understanding.
- Be sure all shoes and dance bags are labeled.
