

# **Understanding the Statistical Analysis of Carbon Dating of the Shroud of Turin**

by Robert A. Rucker, MS (nuclear)

Rev. 2, February 14, 2020

The content of this paper has been superseded by “Understanding the 1988 Carbon Dating of the Shroud” which is paper 25 on the research page of [www.shroudresearch.net](http://www.shroudresearch.net). Please download paper 25 to understand this important subject.

I plan to rewrite this paper in the future.
