MISSIONARIES TO HONDURAS

June 2019

Another Ordained to the Ministry

Several years ago Yeri Genaro Duarte was trying to immigrate to the United States. On the way there he stopped at a house in southern Mexico to ask for food and water. The soulwinner at that house led him to the Lord and brought him to church. After receiving discipleship and attending Bible Insitute he returned to Honduras with his wife, that he met at that church. Bro. Duarte felt led of the Lord to take the work in El Paraiso, the city near us that is located just minutes from the Nicaraguan border. This young couple have done a tremendous job of reaching that city for Christ. This past month, we had the privilege of ordaining this man as the pastor of Faith Baptist Church, El Paraiso!

Student Outreach Results

We had the privilege of visiting two villages just outside of Danli. Accompanying Manna Water for Life as they drilled for water in these areas where there is limited access to potable water. While the technicians drilled for water, our seminary staff and students were given access to the public schools to preach the Gospel! Many made decisions for Christ. After the schools let out for the day, we divided into groups and went house to house sharing the Gospel and giving needy families water filters to help them gain access to clean water.
