Reaching the Ends of the Earth through Global Gateway Cities

For two thousand years, The Ends of the Earth have waited for the hope of salvation in Jesus Christ. Today, God has brought The Ends of the Earth to us. North America's megacities are now home to many unreached people groups from around the world. Through these unreached urban communities, God has opened a gateway that reaches to The Ends of the Earth.

MISSIONS, OUTREACH & DISCIPLESHIP TOOLS

On-RAMP Step 4

Discover how you can impact lives across the street and around the world with simple tools and strategies helping to fulfil the mission of Calvary and the greater body of Christ.

3-Circles

An easy, innovative way to share the Gospel and ask anyone two questions:

- "Which Circle Are You In?"
- "Which Circle Do You Want To Be In?"

15-Second Testimony

As easy as 1, 2, 3... 13, 14, 15.

By using just four simple words or phrases, this amazing method is both interactive and enlightening.

7-Commands of Christ

Designed for all would-be disciples of Christ, this booklet is specifically useful for guiding new Christians through the basic to-do-list of their newfound faith and is an important reminder for all of us.

7-Stories of Hope

An effective tool for sharing Jesus with those who are sincerely interested in learning about the life and teachings of Jesus in an informal, non-threatening, and interactive manner.
