## From The Community Spiritual Director

There is a story in both Matthew and Mark where the religious leaders ask Jesus for a sign. I can't help but smile each time I read that. They are standing face to face with the Messiah, the Savior of the world, the Son of God and they're asking for a sign! How ridiculous! Yet, I have been guilty. I get so wrapped up in what's going on around me, on what I feel is important, and I miss it, I miss Him.

We live in a crazy world. We have so many distractions. Our enemy keeps us focused on things of this world as Peter was in Matthew 16:23. So many people are missing Him today because of the craziness, the distraction.

That's where the Walk to Emmaus comes in. We attempt to take away all those things. We give the pilgrims ample opportunity to realize that Jesus is here, with us. We give them the opportunity to look at who has been right there in front of their face the whole time. And when they see Him, really see Him, their lives will never be the same. Who do you know who needs to see Jesus?

As we begin to get things going again, we can give our brothers and sisters this wonderful opportunity to see Jesus, to realize we don't need any other sign. Won't you consider sponsoring someone and allowing them to experience what you experienced on your walk? We need you to get our community back up and running. Your friends need you to help them experience Jesus. Jesus needs you to be his witness. Thanks for answering the call.
