From Rick Lynes

Remember Hebrews 10:24-25 in last month's newsletter? "... not forsaking the assembling of ourselves together, as the manner of some but exhorting one another...".

Small groups play an important part in creating an opportunity for individuals to gather in a safe and supporting setting. They provide a place where we can connect and share our stories and concerns. We do this every Sunday morning in what is called Grow Groups at 9:30 am.

These small groups provide an atmosphere where we can connect on a deeper level, share joys and struggles and grow together in our faith. With a diversity in age, background and life experiences small groups become an ideal place where people learn from one another and gain new perspectives and a sense of belonging. Let us pray for the guidance and wisdom to GROW these small groups where authentic conversations flourish allowing God's work to unfold in the lives of all who participate. And remember you can not get this kind of fellowship and love on facebook or the television set.
