RE: Tufts Road Winter Maintenance

Dear Mr. Huntress:

This letter is to follow-up on our October meeting with the Limington Selectmen and Road Commissioner regarding winter maintenance on the Tufts Road.

After discussion and consideration of the winter maintenance required on the Tufts Road, both towns mutually agreed that the Town of Limington will continue to plow the 2/10 of a mile of the Tufts Road that is within the Limerick borders and the Town of Limerick agrees to compensate Limington \$750.00, which is equivalent to our current snow contract costs, per snow season for these services.

Therefore, please sign and return the enclosed copy of this letter to acknowledge our agreement. Please feel free to contact our office if you have any questions or concerns.

Sincerely,

Limerick Board of Selectmen
