*Dear Padre,***What is the history behind Mary's assumption, and what does this feast mean for me?**

There is a tradition among some African tribes that, when one tribal member gets a well-paying job, all the people in that person's clan share in the money earned. The success of one is shared by all.

The feast of the Assumption of Mary carries a similar dynamic. Mary,

because of her special union with her divine Son, gives witness to Jesus' victory over death. In Jesus and through Mary, we share in the graces that come from that triumph.

The feast of the Assumption is an ancient one. It was initiated in the fifth century and was celebrated at the site in Jerusalem where Mary was believed to have rested as she journeyed from Jerusalem to Bethlehem. At that time, the feast was called *Theotokos* (which means "God-bearer") and was celebrated on August 15. Later, the feast was celebrated at the basilica where Mary's tomb was venerated. By the end of the sixth century, the feast came to be called the Dormition (Mary's "Falling Asleep"). By the end of the seventh

century, the name of the feast was changed to the Assumption. Over time, the celebration of this feast increased and devotion to Mary deepened.

In 1950, Pope Pius XII officially recognized this feast. His decree brought a sense of holy sanctioning to the devout belief surrounding Mary that had been celebrated for centuries.

*A Word from Pope Francis*

The Assumption of Mary is a great mystery which regards each one of us, it regards our future. Mary, in fact, precedes us on the path walked upon by those who, through their baptism, have bound their life to Jesus, as Mary bound her own life to him.

Founder & President Paradisus Dei

During the Great Jubilee, Steve Bollman experienced a personal call to found a ministry dedicated to the renewal of marriage and family life. In 2002, he set aside his professional interests as an energy derivatives trader in Houston, Texas to found Paradisus Dei. In 2004, Steve developed the That Man is You! men's program, which quickly moved across the country transforming men, marriages and families. ST. VINCENT DE PAUL SOCIETY **POVERTY DOES HAPPEN & CAN BE CURED**

All of us can face poverty suddenly or in different phases of our lives. A death of someone close to us, a sudden loss of a job or income, an accident, health emergencies, a lawsuit, a financial crisis, and many other factors can suddenly change our future to one of poverty and hardship. We can never be certain that our futures will be forever free of financial poverty. At the same time there are many who are at the borders of poverty most of their lives. These are the primary focus of the work of the SVDP Society. But there are occasions and circumstances that can bring any of us to the brinks of economic hardship and crises. The thrust of our work with individuals and families is to alleviate their immediate basic needs by working together to set realistic goals for self-sufficient living. This effort must be undertaken by both our Members with the resources you have all provided as well as by the poor needing our help. Those asking for our help also must work to avoid future dependency on others for their basic needs. The goal of our help should always be economic self-sufficiency along with the continued spiritual support needed from everyone to insure these life changes are made. Your prayers and your generous assistance are essential for all of us – the poor and those helping meet their basic needs. We all have a role to play in assisting the poor that will always be in our midst.

On Tuesday (August 13), at 3:30 PM in the parish Conference Room, the SVDP parish Conference will hold its monthly meeting. This meeting is open and inviting to anyone of you to consider joining our ranks as a Member or simply to learn more about the work we do. Please come join us for this meeting where you can learn more about the ways you can work with us and the poor. Remember any idea or work you might wish to do to aid the poor will make our parish SVDP group all the stronger. Please drop by and speak your mind/ listen and offer your help for the poor.
