

**TOWN OF WATERFORD  
PLANNING COMMISSION**

**SPECIAL MEETING DATED JULY 9, 2014**

**MINUTES**

Meeting called to order by Bill at 7:00 P.M.

In attendance: Bill Dimick, Howard Remick, Tom Robinson, and Mike Barrett, guest and ZA administrator interviewee J. Christopher Brimmer.

Bill presented finding from NVDA regarding proper process when adding a bedroom and filing with the state for septic.

Interview with Chris commenced. He inquired whether he would be payroll or contracted. Bill deferred that to the Selectboard and Chris confirmed he had no preference.

Much of the interview involved discussing Chris's experience and court cases when a town is called to the carpet regarding zoning. Mike asked about the difference between variance and waivers to get a better understanding based on Chris's questions about our town processes. Howard made a motion that we recommend Chris to the ZA position, Mike seconded and approval was unanimous. Bill wants it noted that we would desire to use his knowledge to maintain "best practices."

At 7:41P.M. the meeting was adjourned.

Respectfully submitted,

Approved:

Carol Priest, Secretary
