Khalid Beg is Managing Principal at Cogent Consulting. Khalid is a thought leader in the application modernization and digital transformation space with over 25 years of experience in the industry. He has deep understanding of modernization challenges across the diverse platforms, application domains and architectures. With a hands-on approach to dealing with complex engineering and management issues, Khalid has successfully helped enterprises in achieving better results. Khalid believes in collaborating with all levels of enterprise to simplify IT portfolio, assets and build next generation of applications and infrastructure. As a life-long learner he continuously reviews and evaluates emerging technology and architectural trends and their applicability to enterprise customers. His consulting careers spans, Computer Sciences Corp. (CSC), Hewlett-Packard (HP) and Tata Consultancy Services (TCS).

**Stacey Mankoff** is the Managing Principal of The Mankoff Company, a full-service marketing consultancy specializing within FinTech. She is also the Founder of After the Bell Events, boutique panel discussions on financial and technology topics. Stacey started these companies in 2009 after 13+ years of sales and marketing experience for the pharmaceutical, IT, healthcare and financial services industries. Prior to her work in the conference industry from 2000-2008, she held senior sales and marketing positions at Saatchi & Saatchi; Lehman Brothers; Dun & Bradstreet and Thomson Reuters. She is an active member of Women on Wall Street, the Silver Shield Foundation, the USO and The Good Dog Foundation. She earned a BA from the State University of New York at Binghamton, an adjunct degree from the London School of Economics and a Certificate in Public Relations/Marketing from New York University.

**Bob McGinley** is currently the Global Solution Manager for IBM Cloud Skytap Solutions and IBM DevOps in the Cloud. He's been with IBM for 22 years, and has worked as a Developer, Architect, Product Manager, and a Global Sales Executive. He's developed high-end business applications across the multiple industries, and is considered a thought leader in app development practices and the business of IT. Bob currently lives in Olympia, WA and spends most of his time with IBM clients and partners around the world helping them understand how to gain efficiency and productivity by moving their DevOps processes to the cloud. He is also very experienced with all the latest application and infrastructure modernization trends and techniques.

**Ashish Mahadwar** is a seasoned industry executive having led & grown several large leading edge businesses globally. In the past few years, his primary areas of focus have been AI/Machine Learning, Cloud infrastructure & Applications, and CyberSecurity. Ashish is currently a Senior Advisor at Bain Capital, and on the Advisory Board of 3 startups. Previously, Ashish was a Executive Vice President at DXC (formerly CSC) leading all emerging businesses globally, reporting to Mike Lawrie, CEO. Prior to that, Ashish was a Sr Vice President at Cognizant, where over 11 years, he led several businesses globally, helping the company to grow from \$200mn to over \$10bn in that period. Apart from work, Ashish enjoys traveling, reading non-fiction (currently reading "Meeting the shadow, Zweig & Abrams"), golf & music.

**Tim Lebel** brings more than two decades of experience in leading enterprise and consumer software teams to Skytap, where he oversees product strategy for the company's global public cloud service. Prior to Skytap, Tim was most recently in product management for HPE's Cloud Business Unit, where he developed and managed HP Cloud's Customer and Early Adopter Programs, successfully bringing more than 20 top accounts into the program. Tim has previously held software development and product leadership roles at Microsoft, Smith & Tinker and TEN Media, and has also founded or led a diverse range of businesses from game development to wine. He studied Computer Science at the University of Southern Maine and is on the Board of Seattle Area Youth for Christ.
