

First Aid Policy

General Statement

It is our policy to ensure that appropriate first aid arrangements are in place for our students, staff and any visitors to our premises. This includes providing sufficiently trained employees for our needs and maintaining an adequate supply of first aid equipment.

It also involves providing enough information to staff to enable first aid assistance to be sought during normal school hours. Where work is regularly undertaken outside these hours, then adequate first aid cover will be provided.

The Legal Position

Our duty to provide first aid at work is governed by the Health and Safety (First Aid) Regulations 1981. These require us to carry out a risk assessment in order to determine what first aid facilities and personnel are necessary to meet the needs of our school.

We are also required to review this assessment periodically to ensure that current provision is adequate. In order to comply with these Regulations, our assessment has considered a number of factors, including the following:

- Size of school
- Type of school
- Building layout
- Past history of accidents
- Needs of travelling and/or lone workers

Responsibilities of First Aid Personnel

In order to carry out their duties effectively, first aid personnel have the following duties and responsibilities. First-aiders are responsible for:

- Responding promptly to all requests for assistance
- Summoning further help if necessary
- Looking after the casualty until recovery has taken place or further medical assistance has arrived
- Reporting details of any treatment provided.

Appointed persons are responsible for :-

- In the absence of a first-aider, taking charge when a person has been injured or falls ill
- Calling an ambulance where necessary
- Looking after the first aid equipment and ensuring that containers are re-stocked when necessary.

Procedures

The following are general first-aid related procedures to be followed by all staff:

- If you are aware that anyone on the school premise has been taken ill, or has had an accident, call another member of staff for assistance.

- Assess the patient's condition and then call 999 or 112 for advice.

Where a student is involved contact the parents in the first instance. If the parents cannot be reached the school will make necessary decisions to ensure the student receives prompt and appropriate treatment.

- If you need to access a first aid kit for personal use, do not remove it from its designated place.
- Any loss or damage to first aid equipment must be reported to the Principal
- If a first aid kit is poorly stocked, this should be reported to the Principal.
- A first aid kit should be carried by staff on off-site activities or trips where it is deemed that first aid equipment will not be readily available. They are responsible for informing the Principal when it is poorly stocked.

Dealing with Visitors

It is our policy to offer first aid assistance to visitors on our premises. Should a visitor feel unwell or have an accident, then the employee supervising their visit should call for a first aider/appointed person. If the visitor has had an accident, the employee supervising their visit is responsible for ensuring that an entry is made in the accident book/form.

Students with Medical Needs

Any epipens, inhalers or specially agreed medication will be kept in the locked metal box in the office. This information will be given to staff as part of the introductory information regarding new students.

Staff Training

All staff undertaking first aid duties will be given full training in accordance with current legal requirements.

Information for Employees

We acknowledge that first aid arrangements will only operate efficiently where they are understood, both by employees and others who may be working on our premises. These include part-time and temporary staff. For this reason, information on who the current first aid trained staff are is posted on the cupboard door where the first aid kit is kept in the office.

First Aid boxes can be found in the following areas:

- Office
- Kitchen
