Spectra's New Year's Message

The new year is traditionally a time of reflection, when we look back at the past and with promise to the future. The last several years have presented enormous challenges to us—personally, as families, as businesses and as a nation. It hasn't always been easy, but because of our unwavering spirit and determination, we've come through it, and we'd like to think the toughest times are behind us.

As we look ahead, it's also a good time to appreciate our blessings. At Spectra Builders, we are thankful for our dedicated, hardworking staff, outstanding building team partners, supportive corporate friends and, of course, our loyal clients, who are the heart and soul of our company.

On behalf of the entire Spectra Builders team, we hope you had a safe and healthy Christmas season and wish you a new year filled with happiness, hope and great opportunity.

Northeast Wake Warriors: #2 In The State

Spectra Builders has been the proud sponsor of the Northeast Wake Warriors, a boys' high school soccer team, for the past two years. Last year was the team's first together and it turned out to be a good one. This year, the team made it to the final game of the North Carolina state tournament, where they placed second in the state and first in the N.C. Eastern Region. We want to congratulate the entire team for all their hard work and dedication.

A huge thanks to coach Ken Dougherty and assistant coach Rodney Miller for the time and effort they've put into this team. Congratulations also to Colin Hanchey, the only senior on the squad, who will be graduating in the spring.
