1. Meeting called to order at 7:00PM.
2. Previous minutes from July meeting reviewed and approved. Due to scheduling conflicts with lack of quorum, no meetings were held in August and September.
3. Concerned citizens from Hurlbut Hill Ln were in attendance; Lionel Cloutier, Rod Wilson, and Bud Damiano. They express that an AirBnB was operating out of a property with no permit. Were curious what their options may be. As a board, we educated them regarding how the Planning Commission differs from the Development Review Board, but that the town does have ordinances that would not allow for the operation of that property.
4. Chris Brimmer gave overview of the applications and processes he has had before him in recent weeks.
5. Meeting adjourned with no further discussion.
