

Financial Policy

Dr. Allen Prevette, DDS, PA

We welcome you to our practice and appreciate the confidence you have placed in us for your dental care. We would also like to take this opportunity to review our policy on insurance and billing procedures.

We currently are in-network with the following dental plans:

| | | | | |
|--|-----------------------------|---------------------|-----------------|-------------------|
| MetLife | Delta Dental Premier | Cigna PPO | Guardian | Aetna PPO |
| Humana | United Healthcare | Principal | Ameritas | BCBS of NC |
| Dentemax | Lincoln Financial | Cigna Radius | | |
| Aetna Dental Access Discount Plan | | | | |

Due to the various levels of benefits for each dental plan, it is **not** possible for us to know exactly what your plan may pay for certain services. **It is the patient's responsibility to understand the coverage of their plan.** Some plans may have waiting periods for certain procedures, limitations on x-rays, or alternate benefits for composite fillings and crowns. We recommend that a pre-estimate be filed with your insurance for treatment exceeding \$250. We will **estimate** your out-of-pocket expense for each visit and this payment will be collected when you check in for that appointment. **If after billing your insurance, there is a balance left over, you will be responsible to pay that within 45 days.** Any unpaid balances will be forwarded to an outside agency after 3 billing cycles **and a 35% collection agency fee will be added.** You are entirely responsible for your account balance even if insurance delays or denies payment for any reason. We are here to assist you with your insurance concerns; however, our ultimate concern is your dental care.

We accept cash, check, Visa, MasterCard, American Express, and Discover.

I acknowledge and confirm that I have read and understand these policies.
