Sheldon Road Update

Todd Babbitt, First Selectman told Ryan Aubin that Public Works is planning on putting up walls, and dividing our the bathroom area in the building at Sheldon Road Field. Todd would like to come speak to our commission in the next few months.

Commission assigned Ken Willey as the Sheldon Road Field oversight Chairman. He will visit the field a few times a month to report issues, concerned and information that GRC should focus on due to the heavy usage of the park.
