2017 Dedication Russell W. Nutting

Russell W. Nutting was born on July 4, 1936.

He grew up in Bethel, Maine and graduated from Gould Academy. In 1957 Russ moved to Limerick to work at General Electric, in the Old Limerick Mill and remained there until it closed. Russ held various interesting jobs before deciding to work for himself as a machinist.

Russ's life passion has been racing, his career expands seven decades, and two countries. He has been involved in all aspects and positions of racing resulting in him becoming an icon and legend in the racing community. Maine Motorsports and New England Auto Racers have inducted him into their Hall of Fame.

Along with racing and owning his own business, in 1986 Russ was appointed as a Trustee of the Limerick Water and Sewer Districts, and still remains as a Trustee today. During this time Russ has overseen many projects and obstacles. In 1987 one of the projects that he helped with was a major renovation to the reservoir located behind Tibbetts Memorial Park. The scheduled fifteen year maintenance to the tower was completed in 2000, and again in 2015. A road was built for access to the tower in 2014. In 1994 there was the mill fire which forced the closing of the well that supplied water to the homes in the lower village and the water district purchased a lot on the Emery Corner Road with access to a main aquifer also a main extension from Watson Hill Road to the new well site on Emery Corner Road. The new pump station and well were in full operation by 1996. In 1999 with the help of grant money the district replaced the worn out water and sewer lines on the upper end of Washington Street and Locust Hill Road. With the towns help and grant money from the CDBG the water and sewer lines were also replaced for the remainder of Washington, Maple, and Wescott Street. The reservoir and pump station that is located on the center part of Washington Street was also replaced. Last but not least Russ had the entire District's meters replaced and updated inside with our current Touch Read System. Russell has announced that he will be retiring from the Limerick Water and Sewer Districts beginning in March 2018.

The Town of Limerick would like to take this time to thank Russell for his many devoted years of service, and accomplishments as part of the Limerick Water and Sewer Districts. 30 Years of a Job Well Done.

- Article 15: To see if the town will vote to raise and appropriate \$500.00 for Southern Maine Area on Aging.

 Selectmen and Budget Committee recommend a Yes Vote
- Article 16: To see if the town will vote and authorize the Selectmen to sell and dispose of Town owned lots (with or without buildings) with terms and conditions that are in the best interest of the town and apply those proceeds to the Capital Project Reserve Account after all taxes and costs have been paid on each parcel.

 Selectmen and Budget Committee recommend: a Yes Vote
- Article 17: To see if the town will vote to appropriate all money received from Snowmobile registrations from the State of Maine, for the Limerick Snowmobile Club, for the purpose of maintaining their snowmobile trails open for use by the public.

Selectmen and Budget Committee recommend: a Yes Vote

- Article 18: Shall the Town of Limerick vote to accept from White-Tibbetts American Legion Post Number 55 a deed for Lot 2 on Map 30 of the Town of Limerick Tax Maps being more fully described in a deed from Arthur L. Hayes to the Legion dated February 3, 1958 and recorded in the Registry of Deeds in Book 1407 Page 565; sometimes referred to as the "Honeysuckle Creamery Lot".

 Said lot is subject to the following restrictions:
 - 1. The property to be used to honor Men and Women who served honorable in the United State Military.
 - 2. No right of way and/or easement ever be granted or deeded to pass over this parcel of land to access property located to the south of this lot.

Further reference to the above deed may be made by checking record in Book 663 Page 89, Mary A. Hayes to Arthur L. Hayes dated August 31, 1918.

Selectmen and Budget Committee recommend a yes Vote.

Article 19: To see if the town will vote to lease a 300' parcel of town-owned property, in addition to the 175' x 200', currently leased, being a portion of the property identified on Town Tax Map 38, Lot 180 to the Route 11 Streakers Snowmobile Club.

Selectmen recommend: a Yes Vote Budget Committee: no recommendation

Article 20: To see if the town will vote to:

A. Fix a date of commitment of September 1, 2018 with taxes due payable 60 days thereafter, and to see if the town will fix a rate of 8% to be charged on taxes and tax liens, unpaid after said due date.

B. Authorize the Selectmen, on behalf of the town, to sell, and dispose of any real estate acquired by the town for nonpayment of taxes thereon, or acquired by any other means, sale or sales to be by public auction, advertised in advance in weekly publication and by posting notices in three conspicuous places in town at least thirty (30) days prior to the sale or sales, and to execute municipal quit claim deeds for such property except that the Selectmen may without auction or advertisement, sell to the person or persons to whom a property was taxed at the time the property was acquired by the town or to their successors or assigns, such property for the amount of the accrued taxes, interest and cost and to execute and deliver therefore a municipal quit claim deed for such property.

C. Authorize the Selectmen on behalf of the town, to sell and dispose of any personal estate acquired by the town.

D. Authorize the Selectmen to purchase bonding security for the town officers in cases so required by

E. Authorize the Selectmen to appoint all necessary town officials for ensuing year.

F. Authorize the Selectmen, at their discretion, to accept any lots deeded to the town.

G. Authorize the Selectmen to make town buildings available for use by Limerick residents.

H. Authorize the Selectmen to accept and expend any fees, grant monies, donations or reimbursements received.

I. To see if the town will vote to authorize the tax collector or treasurer to accept prepayments of taxes not yet committed pursuant to 36 M.R.S.A. § 506.

J. Authorize the Board of Selectmen to spend an amount not to exceed 3/12th of the annual budget during the period from January 1, 2019 to the annual town meeting held in March of 2019.

K. Authorize the Board of Selectmen to sell, and dispose of town-owned lots within Lake Arrowhead Community, Inc. to abutters of such lots on terms and conditions that are in the best interest of the Town.

L. Authorize the Selectmen to enter into contracts for the term of one year in the best interest of the town.

M. Authorize the Board of Selectmen to pay tax abatements and any applicable interest from overlay generated through tax commitment.

Selectmen and Budget Committee recommend: a Yes Vote

SPECIAL TOWN MEETING

September 12, 2017

York, ss.

STATE OF MAINE

To: Tawny Mann, a resident in the Town of Limerick in the Said County:

GREETINGS:

In the name of the State of Maine you are hereby requested to notify and warn the inhabitants of said Town of Limerick, qualified to vote in the affairs of the town, to assemble at the Municipal Building, 55 Washington Street, on the 13th day of September, 2017 at seven o'clock in the evening, to act on the following articles 1 and 2 to wit:

Article 1. To choose a Moderator to preside at said meeting.

Moderator: Laura May

Article 2. Shall an ordinance entitled "Municipality of Limerick Moratorium Ordinance on Large Scale Water Extraction" be enacted for a period of six (6) months commencing on September 13, 2017 and ending March 13, 2018?

Motioned by Moderator to pass over article #2 because there was no ordinance completed to be hung with the warrant, so there was no Large Scale Water Extraction Ordinance to be voted on.

Motion was made by Selectmen Roland LePage to hold another Special Town Meeting on September 27, 2017 for the Moratorium Ordinance on Large Scale Water Extraction and the Water Extraction Committee will be drawing up the Large Scale Water Extraction Ordinance. Second by Selectmen Joanne Andrews.

All in favor Passed

Congratulations! May Your Marriage Be Filled With Undeviating Sacrifices, Never Ending Love And Understanding, And Above All, May It Last Forever.

Snowflakes Are Winter's Butterflies

When you see a snowflake falling from the sky, close your eyes and feel the love, it's a loved one nearby.

The snowflake stays until it warms and slowly melts away, but don't be sad when you think about what happened yesterday.

The sun continues to warm as each day passes by, and that snowflake that once fell is now a butterfly.

Town of Limerick NOTICE TO DOG OWNERS

Your 2018 dog license was due and payable January 1st. If unpaid by January 31st, a late fee of \$25.00 is added. Do not look for a Collector to call, this is a license, not a tax, and it is up to you to see that it is paid.

- All dogs 6 months of age have to be licensed on or before January 1st, or when they become 6 months old P.L. 1969 C.94.
- 2. All dogs 6 month old SHALL be immunized against rabies, including all KENNEL dogs 6 months old. The certificate must have a STATE seal on it as well as showing the immunization date within 730, P.L. 1969 C.244.

3455. Dogs not to run at large

It shall be unlawful for the owner of any dog, licensed or unlicensed, to permit such dog to run at large, except when used for hunting.

3456. Disposal

Any police officer, sheriff, deputy sheriff, gave warden or constable shall seize, impound or restrain any dog in violation of section 3455 and deliver such dogs to any person or shelter authorized to board dogs by the Department of Agriculture under section 3406. Such dogs shall be handled as strays and abandoned dogs.

2357. Penalties

Instead of seizing and impounding the dog, the officer having jurisdiction may prosecute the owner of any dog running at large and any person upon conviction shall be punished by a fine of not less than \$24, nor more than \$100.

The Town of Limerick adopted a fee of \$35.00 for dogs running at large and also for the cost of keeping dogs at a dog pound or roaming at large after causing a nuisance. The owner of a dog which is found running at large, who knows or has been advised that the dog has caused a nuisance and has failed to keep the dog on his/her premises or under his/her control or under the control of a person charged with that responsibility shall, for the first offense, be punished by a fine of not more than fifty dollars (\$50.00). For a second offense and subsequent offenses, the owner shall be punished by a fine of not more than one hundred dollars (\$100.00)

TOWN OF LIMERICK

BOARD OF SELECTMEN'S REPORT

In 2017 the Town of Limerick saw some very exciting changes that took place as a result of money appropriated by voters and hard work by committee members:

Jacobs Glass of Winslow, Maine won the bid to professionally restore and reinstall the windows on the second floor of the brick town hall, that project was completed in late spring; see the report and photos contained herein by the Handicap Accessibility and Revitalization Committee. The Selectmen thank that committee who have worked with our grant writer John Cleveland and Architect William Hamilton on the handicap bathroom completed in 2016, this window project, as well as the handicap ramp project for our brick town hall.

Voters approved \$50,000.00 to be set aside from the capital reserve account to fund the construction of a handicapped accessibility ramp at the brick town hall. The construction was completed in December, the ramp was built and the original granite steps raised and reset by Jason Demoss of Demacon Company of Hollis. The railings to be built and installed by LMC Light Iron Inc. will be completed in the spring. Finalizing the project with paving the handicap parking spaces, a path to the rear parking lot, exterior lighting along the ramp and landscaping will be completed in the spring if voters approve the funds to complete this project.

Limerick residents voted to expend \$30,000.00 from the capital reserve account to rebuild the retaining wall at Tibbetts Park. The selectmen approved the establishment of the Tibbetts Park Revitalization Committee a large committee of volunteers who raised over \$55,000.00 for three granite monuments memorializing all wars from the Revolutionary War until the present. These monuments are engraved with the names of those Limerick men and women who either joined or were drafted while living in Limerick. There are no words to express the sincere gratitude we all feel toward the service of these men and women and to the committee who worked tirelessly to make our park the focal point of our community.

The second phase of improving our baseball and soccer fields with an irrigation system went operational in 2017; there is a third phase of the system by enlarging our fields being considered for future expansion.

The town took delivery of both a new ambulance and a new firetruck both of these pieces of vital equipment were bought without taxation; these vehicles were paid for through a billing company and an account set up to collect money for ambulance service paid for by insurance companies for ambulance services.

Future projects include replacing hundred year old water and sewer pipes on Main Street; the town's application has been accepted and the project is in the running for a Community Development Block Grant for this project; this grant would award the town seventy-five percent of the total projected cost of replacement of both water and sewer lines. This project must be completed before we can proceed with

Main Street Revitalization which would include the construction new sidewalks, installing some additional lighting and trees on Maine Street.

On March 9th the voters will consider a ballot question to see if the town should establish a Capital Project Reserve Account for the future construction of a proposed new fire station by transferring \$800,000.00 from the unassigned (undesignated) fund balance into this proposed reserve account.

The selectmen continue meeting weekly on Monday nights at 7 PM, all meeting are shown on cable Channel 5 or can be replayed on your computer or smartphone at www.src-tv.org.

The Board of Selectmen welcome any and all suggestions or concerns and we do our best to address them all.

Please join us for town meeting on Saturday March 10, 2018 at 10 o'clock in the morning at the Brick Town Hall and vote on Friday March 9th from 8 AM to 8 PM at the Municipal Building.

Respectfully:

Limerick Board of Selectmen

Joanne L. Andrews – Chairman John M. Medici Roland C. LePage Jr.

Code Enforcement Report 2017

The new year brought about some changes in the Code Enforcement Office. Ron Phinney retired at the end of April and I took over on May 1st.

I want to ask everyone who is thinking of doing any kind of building project to call and verify whether a permit is required or not. Please be aware per Town of Limerick Zoning Ordinance that, for every structure or relocation of a structure, a permit is required.

You can see from the statistics below 2017 was a very busy year with a significant amount of growth. The end of 2017 brought a bit of a lull which, from my perspective, was a welcome change. The lull created an opportunity to clean up some open permits and create an agenda for the coming year.

I would like to recommend a few changes in our ordinance and perhaps re-structure our Fee Schedule. I hope to have those changes ready for the June election. Proposed changes give us a bit more authority to address re-occurring complaints that have been received by this office.

2018 is expected to bring a consistent amount of growth. The Code Office has received a significant amount of inquiries for the spring of the year which lends to the fact we may have an increase of growth from 2017.

Permits issued for 2017

New homes	13	Mobile homes	2
Steel Building	1	Demolitions	5
Additions	3	Decks/Stairs	24
Remodeling	12	Swimming Pools/Docks	4
Sheds & Barns	20	Permit Renewals	10
Garages/Car Ports	17	Miscellaneous	7
Solar Panels	2	Cancelled Permits	2
Septic Permits	23	Internal Plumbing Permits	30

Total permit fees collected in 2017 - \$32,536.00

Michael Gilpatrick,

Code Enforcement Officer

HEALTH OFFICER

Once again the highest priority for public health in our area remains to be immunizations. In the past this seemed to be a concern for young children starting Kindergarten. It is still a priority for children of this age. There are also many immunizations that pertain to adults such as influenza, pneumonia and shingles. Please talk to your Primary Care Provider as these will be available at their office.

Please remember to do routine fire alarm and carbon monoxide inspections. In many cases this is our earliest warning of a potential danger in our homes.

Please feel free to visit the Center for Disease Control (CDC) website at - https://www.cdc.gov

ADDRESSING OFFICER

As Addressing Officer I am responsible for every home being labeled with its perspective address. Our ordinance states that every home shall have its number posted near the front door with 4" high numbers. It is imperative to our First Responders in the event you or someone in your home should need their assistance.

It is also required that each street be labeled and a sign placed at each end of the road. This can be a bit difficult to monitor due to accidents, vandalism and snow removal. So any help that you can provide would be greatly appreciated. If you notice one missing in your area, please notify my office so I can have them replaced as soon as possible.

Respectfully Submitted

LIMERICK TRANSFER STATION & RECYCLING FACILITY 2017 YEAR END REPORT

2017 was exceptionally busy, the busiest I have seen in the 14 years I've been doing this job. We fill at least two containers a week with household waste at the transfer station and we consistently take in 30% or more household waste on a weekly basis even though we have door to door pick up.

The "Take It Shop" continues to be very popular with good useable items given to residents for re-purposing and re-use, every item that goes through the shop saves the town tipping fees and hauling costs. We were saddened when we lost our good friend Celia Needham who volunteered for several years at the take it shop, everyone loved Celia and she loved everyone back, we will all miss her.

Residents disposed of over 15 tons of electronics which are picked up and shipped to Central Maine where a company disassembles them and recycles the components; the company also picked up over 4,500 feet of fluorescent bulbs and hundreds of compact fluorescent bulbs.

A big thank you to all who participate in voluntary recycling we wish more single - sort recycling was brought down to the transfer station because every ton that we recycle will save \$70.50; this year we shipped over 1,300 tons of household waste to be incinerated for energy and that costs taxpayers just over under \$95,000.00 we did save an additional \$8,000.00 by recycling.

Last year we voted to transfer from the Capital Project Reserve Account \$25,000.00 to build a 22 foot wide by 34 foot deep addition to the 2-bay garage building for expansion of the electronic waste area and increase the take it shop so we can take good useable furniture and building materials. We decided to roll over the \$25,000 transfer and hold off on construction until 2018 and are planning the addition of water and bathroom facilities which will be more than welcomed by the employees. There is an article to transfer an additional \$17,500.00 to complete the building, septic system, deep well pump and bath fixtures, the drilled well is being donated by Western Maine Water Wells and is truly appreciated.

Please remember to check your local news channels for storm closings and the town web site for holiday closings. Stickers are available at the transfer station with proof of residency.

Town of Limerick Public Library

Librarian's Report 2017

In 2017, the following items were added to the collection: 502 adult books, 247 children's books, 25 audio books and 214 DVD's. These additions to the collection were made possible through budgeted purchases and generous donations. Circulated in 2017 were 10,959 books and 3,640 non-book materials. The library has 1,607 active patrons with library cards, some of those are family cards "one card used by multiple family members". We borrowed 587 books for Library patrons from libraries throughout the United States. We loaned 51 books to other Maine Libraries. Patron visits for 2017 totaled 7,540. Our patrons borrowed 591 electronic books using our Bibliotheca/Cloud Library subscription that we purchased through the Maine State Library. The public computers were used by 1,524 patrons.

Patrons were able to borrow the reduced admission passes to the Maine Wildlife Park in Gray.

The annual Book Sale generated \$1,739. Garden Tour fundraiser \$2,580. Income from these fundraisers was used to purchase large print books and new shelving for the adult non-fiction room.

There were 169 programs at the library attended by a total of 1,479 patrons. The following is a partial list of the programs: Weekly pre-school story-time, adult book discussions, teen book discussions, adult card games, seasonal paper craft programs, Summer Reading Program, Author and artist talks, writer's workshops, poetry workshops, play readings, adult exercise class, paint nights, science programs, and Affordable Care Act health insurance sign-up. In addition, we offered a genealogy program in collaboration with the Limerick Historical Society and we partnered with York County Cooperative Extension 4-H program to offer a robotics programs for children.

The annual Summer Reading Program was completed by 103 children in 2017.

Thank you to the 31 volunteers who donated 684 hours of service in 2017.

We were closed for four weeks from mid-September through October 10, 2017 to have the floor refinished.

For current news, activities, and programming visit the Library's Facebook page. The online catalog, monthly newsletter, and calendar are available on the Library page of the Town of Limerick web site at: www.limerickme.org.

Joanne Andrews, Chairperson, Limerick Board of Selectmen

Michael McLean, Fire Chief Limerick Fire-EMS

Dear Chairperson Andrews and Members of the Board,

I am pleased to inform you the Limerick Fire-EMS Department has had another busy year rounding up to about four hundred calls for the year so far. We started off the year with a new ambulance and ended it with a new fire engine can't really complaint to much about how 2017 went for the Department. We have been training with the new fire truck and plan on doing our yearly drivers training this fall to get all members comfortable behind the wheel.

We are currently working on modifying the inside of the station to fit a washing machine to help keep our firefighters safe also we are adding heat to our upstairs meeting area. These projects should be completed by the end of the year.

We have completed many goals in five years that we have set for ourselves. Our next three goals are, new station which we are working on currently, replacing our squad four fire truck which is thirty-five years old and considering going to on call or night shifts giving the town 24-7 coverage. All three goals will help better the town for the future.

Respectfully,
Muss Messen

Chief Michael McLean

EMA REPORT

We got through most of 2017 pretty good until October got here. Strong winds and rain took out a lot of trees and phone poles. Many of us were without power for 4 – 5 days. The road commissioner and fire department removed a lot of downed trees which helped make power restoration faster.

EMA brought the command van here and CMP worked right out of that which also helped to get the power back sooner. Thank you to all that helped with that storm and thank you to Ray Bishop for his support.

Respectfully submitted,

Mike Ward

Director Mike Ward 631-7006

Deputy Director Ray Bishop 631-7008

TOWN OF LIMERICK

ANIMAL CONTROL ANNUAL REPORT

In 2017 I responded to calls concerning missing dogs and cats as well as many calls for dogs roaming at large; most owners were identified and I was able to reunite owner and pet before taking them to the shelter. The Town of Limerick uses the Animal Welfare Society Shelter in West Kennebunk; the average for lost pets is still very high with up to seventy calls a year. I also handle other domesticated animals including farm animals and rabbits.

I deal with other issues including animal abuse complaints sent to me by both the State of Maine and individuals. I deal with dangerous dog complaints, and dog bites with attacks on both humans and other animals. I also conduct kennel inspections annually for kennel licensing and attend training as required by law.

The State of Maine contacts me with reports of rabies in the area, please have your animals vaccinated against rabies this not only protects them it protects you, your family and neighbors.

I assist Inland Fisheries and Wildlife when called upon to do so but I do not deal with wild animals.

Please license your dogs it is so much easier to reunite owners with dogs if they have been licensed and it may eliminate the expense charged by the shelter if I have to bring your pet there because I can't identify you as the owner.

I may be reached at 207-459-0369, leave me a voice message and I will respond to your call as soon as possible.

Sincerely,

Wade E Andrews

Limerick Animal Control Officer

Road Commissioner

2017 Report

The annual sweeping and cleaning of winter sand from intersections and streets took place in May.

Paving Program for the summer, 2017

7,600 feet of Patterson Rd. was hot topped with 2 ¼ inch hot top after reclaiming operations took place.

1,170 feet Foss Rd. was surfaced with 1 inch surface hot top.

After rebuilding School Street, which consisted of excavation of existing pavement and 24 inches of under soil, installing GEO Fabric and adding 3 inch minus gravel from F.R Carroll, Inc. 1,030 feet was hot topped 3 inches of hot top.

Four risers for water main valves were replaced as well as raising 4 manhole covers for the Water & Sewer District.

Gravel roads were graded and gravel was added as needed.

Roadside mowing was done as well by Gregory LePage. Well Done!

Respectfully Submitted,

Robert Richardson, Road Commissioner

2017 LIMERICK PLANNING BOARD ANNUAL REPORT

In 2017 the Limerick Planning Board held twenty-two regular meetings, six site walks, and several workshops many of which followed our regular meetings. The board conducted hearings on six conditional uses and completed these by signing findings of facts on five of the six; a busi-ness dealing with a commercial use, a salvage business, a recreational cross-country skiing busi-ness, a used car and garage business as well as an amended conditional use for extended hours of operation for an existing brewery business. A sixth conditional use for a wedding barn was withdrawn by the applicant.

The board worked on legislative updates as well as new definitions to the Limerick Zoning Ordi-nance these changes reflect the restructuring of the ordinance with guidance from Southern Maine Planning; these changes were adopted by the voters in June as well as articles dealing with marijuana prohibiting retail marijuana stores, cultivation facilities, product manufacturing, testing facilities and social clubs.

The board adopted the use of a new conditional use application with instructions, worked on the board's bylaws, and voted to update the towns zoning maps to reflect recent changes.

There were applications for one minor and two major subdivisions received by the board in 2017, the board approved; a six lot major subdivision entitled Doles Woods Subdivision Phase II, the minor subdivision was withdrawn and the third major nine lot subdivision entitled Wild-wood Acres is pending review as of the end of the year.

The board appointed a committee to create a proposed ordinance entitled Large Scale Water Ex-traction Ordinance which will be on the ballot to be voted on March 9, 2018. The board also worked on proposed Amendments on Prohibiting Retail Marijuana Use, an ordinance to allow Agronomy in the Business District and Updates to the Limerick Shore land Zoning Ordinance also with guidance from Southern Maine Planning. The planning board also lost two members to resignations during the year but at years end is a complete board with five active members who will continue to work in the best interest of our town.

Respectively submitted;

Aaron Carroll – Chairman

Annual Report for Limerick Zoning Board of Appeals 2017

The Boards activities are summarized as follows:

- 1) On January 10, 2017, a public hearing was held to review an application for an administrative appeal filed by Barbara Fifield of the Planning Boards decision to grant a Conditional Use Permit for a used car lot to S. A. McLean, Inc. at Sokokis Trail North Map 17 Lot 66. After reviewing the facts and conclusions of law, the board of appeals decided to deny the administrative appeal.
- 2) On February 8, 2017 a public hearing was held to review an application for an administrative appeal filed by Sylvia and Lynn Grey of the Planning Boards decision to grant a conditional use permit for an addition to brewery production, manufacturing space, and retail business at Gneiss Brewing Company LLC 94 Patterson Rd Limerick Map 53 Lot 6A. After reviewing the facts and conclusions of law, the board of appeals decided to approve the administrative appeal.
- 3) On August 24, 2017, a public hearing was held to review an application for an administrative appeal filed by Barbara Fifield in regards to the Planning Boards decision to grant a Conditional Use Permit to Stephen A McLean for a Seasonal Use Snowshoeing, Cross Country Skiing located at Sokokis Trail North Limerick Tax Map 17 Lot 66. The public meeting was continued to September 12, 2017. After reviewing the facts and conclusions of law, the board of appeals decided to deny the administrative appeal.
- 4) On October 5, 2017, a public meeting was held to review a request by Barbara Fifield to reconsider the administrative appeal decision made by the Limerick Zoning Board of Appeals dated September 12, 2017 in regards to a conditional use permit granted to Stephen A McLean for a Seasonal Use Snowshoeing, Cross Country Skiing located at Sokokis Trail North Limerick Tax Map 17 Lot 66 by the Limerick Planning Board. After discussion, the Limerick Zoning Board of Appeals decided not to reconsider the Limerick Zoning Board of Appeals administrative appeal decision dated September 12, 2017.

LIMERICK BUDGET COMMITTEE

The responsibility of The Limerick Budget Committee is to review the various town department budgets and warrant articles and to make recommendations to the voters so they may have data needed to make an informed vote. In the process, the Budget Committee holds televised meetings with department heads as they present their budgets. This year we accomplished this between November 14, 2017 and January 5, 2018.

The Budget Committee recommended to the Board of Selectmen that a purchase order system be incorporated to be sure that the money raised by our taxes is spent wisely. If instituted, it will help ensure that competitive bids are received before purchases are made and that items purchased are necessary for town operations.

An amendment to the Budget Committee ordinance was proposed that would have allowed some town employees to be members of the Budget Committee. This ordinance amendment was defeated by the voters.

Minutes of Budget Committee meetings are on the town web site at LimerickMe.org. Budget Committee members are elected by the citizens of Limerick. There are no stipends paid to Budget Committee members.

We hope to see you all at the town meeting March 10, 2018.

The Committee Members are:

Gil Harris, Chair Edward Morgan, Vice-chair Denise Benton, Secretary Stephen McLean Bill Jones Justin Reinhardt Howard Burnham

Respectfully submitted, Gil Harris, Chair January 14, 2018 TOWN OF LIMERICK PARKS AND RECREATION DEPARTMENT 2017 SUMMARY

The Parks and Recreation Department had another successful year! The Soccer Program, was

offered to players age 3 and up to include 9th through 12th grade this past season. While the Basketball

Program, was offered to players 3 and up to include grades 7 and 8 this season.

This year, Indoor Soccer was hosted on Saturday mornings at the Line School to all grades. The

Recreation Department also hosted Adult Basketball at the Line School on Thursday nights for \$2 a night.

A significant amount of work has been done at the ball field and playground this year. The new

irrigation system has been installed and has worked wonders on our fields. Thank you to all of those who

materials and time to make this happen. The new playground equipment has been purchased and will be

installed in the Spring. The bleachers at the ballpark have also been repaired. The ice skating rink is up

and ready to be used. We thank the Limerick Fire Department for installing and maintaining this for the

community.

This year we hosted a community cookout in conjunction with the Maine Life Gate Church. Our

activities, hosted during the Limerick Village Holiday, were once again a huge success. We had over 100

children of all ages along with their families join in on the fun.

I would like to thank each and every one of the volunteers who give many hours to make the

Recreation programs as successful as they are. I would also like to give a big thank you to my family;

Dean, Amanda, Misty, Matthew, Adam and Ashley, who always come through to help and support myself

and the department. I thank each and every person in the community for supporting our Recreation

department.

Sincerely,

Lisa L. LePage

Recreation Director

Tibbetts Veterans Memorial Park Revitalization Committee

This committee was established in June 2016 to add a monument to honor veterans of all wars. Through the research of deeds and charters, it was found that in 1943 Minnie Walker, a Limerick resident, donated the land in honor of Hermann K. Tibbetts, Jr. who was killed at Pearl Harbor and remains MIA. He was the the first resident of Limerick to lose his life (one of seven) during WWII. She requested in her deed that this property would remain a park in memory of veterans of all wars, that a corporation be formed and a sign erected which said "Tibbetts Memorial Park" in honor of all who served. The park was dedicated at a Memorial Day Celebration in May of 1945.

Researching and verification of veterans from the Revolutionary War to the present was a monumental task. Information from many sources was used to be as accurate as possible.

With a basic design in mind, members of the committee viewed monuments in several towns. It was decided that our monument should consist of "New Hampshire" granite because it matched the landscape of our community. Proposals from several monument companies were reviewed with prices ranging from \$37,000 - \$83,000. We decided to accept a proposal from Windy Ridge Corporation in Tamworth, N.H.

Funding was the next order of business which the townspeople overwhelmingly supported. Donations, barbecues, pie sales, raffles and granite paver sales for any veteran have made this project a reality.

Upon inspecting the present rock wall, it was determined that action needed to be taken before erecting monuments in close proximity to it. The committee determined that the wall should be a maintenance issue, approached the Select Board and the Town to place an article on the 2017 warrant to help fund replacement of the wall. The townspeople graciously approved. The old wall was torn down; the new wall was begun shortly after Memorial Day and completed by midsummer. Electrical, lighting and water were updated.

Granite pavers, honoring any veteran, will be placed in adjoining walkways in the front of the monuments. To date 125 have been sold and will be placed in early spring 2018.

All monuments and a new sign were in place by November 12th, 2017. Walkways, handicap parking and landscaping will be completed before Memorial Day 2018.

Planning is in progress for a re-dedication ceremony on Memorial Day 2018.

The Committee wishes to thank everyone who has helped with this revitalization of Tibbetts Memorial Park.

One last note – Through our research we realized that Hermann K. Tibbetts, Jr.'s unidentified remains were buried in Honolulu, HI where he was killed at Hickham Field on Dec. 7, 1941. We have helped to identify "next of kin", DNA has been submitted and it is our hope that his remains will be identified and returned to his final resting place with his family in Highland Cemetery.

Respectfully Submitted,

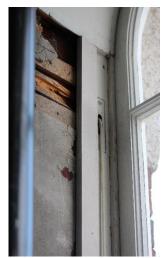

Vickie Carroll, Chairman – Denise Benton, Anthony Carroll, Barbara Carroll, Michael Carroll, Janice Day, Edgar Dolbec, Steve Foglio, Cecile LePage, Lisa LePage, Amy Paradis, Gerald Provencher, John A. Smith, Bill Stitson, Nina Stitson

Handicap Accessibility and Revitalization Committee

Our committee continues to meet monthly with Community Dynamics Corp. of Auburn, Maine guided by the comprehensive planning document *Code Compliance and Existing Conditions Assessment Survey* prepared by TTL-architects of Portland, Maine for the Brick Town Hall.

The second floor Window Restoration Project was completed in June of 2017. Windows were completely removed and openings boarded up in April. In the following weeks casings were restored, windows frames were restored or rebuilt. All windows were re-glazed; weather stripping applied and painted inside and out. Jacobs Glass, of Winslow, ME., did the restoration work and installation.

The Window Restoration Project was

Funded through the generosity of Limerick
taxpayers and grants from Morton-Kelly
Charitable Trust, The Maine Community
Foundation: Belvedere Historic Preservation
the Narragansett Number One Fund
Foundation.

Before After

In March of 2017 the citizens approved funding for a Handicap Accessible Ramp at the Brick Town Hall. To accomplish the necessary specifications required, the front steps also had to be raised and reset. Bill Hamilton of *Hamilton & Joy Architects* of Auburn, Me. was employed to do the design work for the project.

In November 2017, mason Jason Demoss of *Demacon* in Hollis, Maine began by removing the granite front steps set in 1860, installing a foundation and a drainage system, raising and then adding a new bottom step.

This allowed the top step to be at the same elevation as the first floor and the ramp was constructed to intersect with it. In December the ramp was situated on the north side of the building going towards the corner intersection of Route 5 (Main Street) and Route 160. ADA code compliant handrails for the ramp and steps will be added in early 2018 by Steve Hamilton of *Light Ironworks*, Limerick, Me.

Meetings were held with both Maine Historic Preservation Commission and Department of Transportation (D.O.T.) in Augusta, to review drawings and specifications to acquire all necessary approvals. Limerick Code Officer Michael Gilpatrick also reviewed project plans.

The project was a cooperative effort of our committee, the Select Board, project leader John Cleveland of Community Dynamics Corp and Bill Hamilton.

The committee hopes to have ramp access paths and lighting completed in 2018. We will also continue to identify and apply for grants that will aid in funding revitalization projects. Once again, we would like to thank the citizens of Limerick, and the Select Board for their support of our efforts.

Respectfully submitted,

Martha Hamilton-Smith, Gail Libby, Robert Smyth and Wendy Thorne

COMPREHENSIVE PLANNING COMMITTEE

2017 YEAR END REPORT

The Comprehensive Planning Committee completed the inventory of all Town properties during the first half of this year.

We hope to be working with Southern Maine Planning and Development Commission to complete the remainder of the Comprehensive Plan.

Respectfully submitted,

SACO RIVER CORRIDOR COMMISSION

"Communities Working Together To Protect Our Rivers"

The Saco River Corridor Commission (SRCC) was created with one purpose in mind – to protect the rivers in the Saco Basin and all that these rivers represent to the people that live and work here. The legislature provided the start and the performance standards to initiate the program and the cleanliness of the river is a testament to that effort. The Commission's role is one of partnership. Each town has an opportunity to choose two people to represent them on the board and in this way, the Commission is functioning more as a local/regional group working to keep the water clean and to keep Maine looking like Maine. It's a fact that many people come to Maine from other places. They arrive proclaiming how wonderful Maine is, the clean air, the clean water and all the trees which looks "nothing like where they are from". Invariably, as areas are built up, the values that people sought out change, bringing inappropriate uses to the shore land area that can lead to land and water based problems.

The Town of Limerick is fortunate to have Toni Carros on the Commission. The alternate position is currently vacant. Anyone interested in obtaining more information about how to represent your community through this Commission should contact the Commission Staff and we will explain the town's role and the individual's role as well. In a practical sense, Commissioners give the Town of Limerick an opportunity to participate in the present and future development patterns throughout the entire corridor from Fryeburg to Saco. Clean, healthy water is Maine's greatest asset. It's hard to understate this important fact.

We are happy to report the conclusion of our seventeenth successful Saco River Monitoring Program. Currently, we have over 10 volunteers monitoring for dissolved oxygen, pH, turbidity, temperature, total Kjeldahl nitrogen, total phosphorus, orthophosphate, Alkalinity and Escherichia coli. We also do macro invertebrate testing and conductivity testing at many sites within the corridor. Our testing takes place on a bi-weekly schedule along the Saco, Ossipee, and Little Ossipee Rivers at 35 different locations during the months of May through September. All of the information relating to the past seventeen years of the Commission's monitoring program can be found on our website located at www.srcc-maine.org. This information can be useful for Planning Boards, Code Enforcement Officers and developers in locating appropriate types of land uses close to the River.

The Commission's job is to work with the communities in the Corridor to help keep the rivers clean and healthy. Copies of the water quality monitoring information is available or questions can be asked by calling Dennis, the Commission's Executive Director. As always, if the town or citizen has a place on the river they believe should be tested, we would love to hear about it. The Commission office is located at 81 Maple Street in Cornish, Maine (Telephone 207-625-8123) and can be found on the web at www.srccmaine.org.

RSU 57 prepares respectful, responsible and creative thinkers for success in the global community.

January 2018

To: Limerick Selectmen

From: Larry Malone, Supt. of Schools

I am pleased to report to your community the state of our schools. The information provided will be for the current 2017-2018 school year and is inclusive of all schools and will include specific information pertaining to your community.

Curriculum and Instruction: The primary purpose of any school district is educating all students to be ready for a future of living productively in a democratic society. Students must be able to examine and apply their learning in various learning situations; many of those situations will be novel and will require them to apply critical thinking, reasoned decision-making, and collaborative communication skills in order to be successful.

We are committed to providing more learning experiences that are authentic in nature, allowing students to connect with their interests and to help them discover new interests and talents that will guide them into new opportunities. This commitment to educating requires us to think about the delivery of those experiences and obligates us to guide learning through an alternative means of assessment. Areas that have been a recent focus of the district include; assessment, literacy, and Maine's Guiding Principles.

The District will continue it's commitment of improving communicating students' learning progress in a manner that is informative and easily understood, as well as in a way that helps all stakeholders know what the next steps in the learning process should be. We are currently transitioning to a new management system that will be fully available to all levels in the Fall of 2018. We are hopeful that this change will address the needs expressed to us by our constituents.

Finance and Budget: The Board begins their budget development for the FY19 school year in January. The budget is annually developed based on district goals, needs as expressed by state and federal requirements, staff assessment of necessities to implement the desired outcomes, facility plans, and consideration to local conditions. It is important to convey that the State has made some significant changes to the existing funding formula, and the impact to the District is unknown at this time. The Finance Committee will meet weekly over the next few months to prepare a budget for Board consideration. Historical budgets adopted by the Board and approved by the RSU #57 community has consistently proven reliable and on target.

Facility and Maintenance: The Board and Finance Committee continue to review and update their annual and five year maintenance plans to ensure that the District's aging buildings are both properly and proactively maintained. Our staff makes sure we utilize our maintenance budget as efficiently as possible and keep unexpected repair costs to a minimum. The District continues to ensure that the buildings are well maintained through a structured approach to upgrades on roofing, leach fields, air and water quality, heating and ventilation systems and windows. In addition, the Finance Committee has developed a strategic plan to address improvements to the District's athletic facilities, roadways and parking lots. The vast majority of these projects are performed through the annual school budget and the capital reserve fund. It is through this very strategic approach that the District has been able to control repair and replacement costs and be as efficient as possible in using your local tax dollars.

Enrollment: The total enrollment for RSU #57 was 3,037 students in grades Pre-kindergarten through 12 based on the October 1 count. A total of 433 students from Limerick represent 14.3% of the total district enrollment:

Alfred Elementary School (K-5)	1
LINE Elementary School (PK-5)	191
Lyman Elementary School (K-5)	2
Shapleigh Memorial School (PK-5)	0
Waterboro Elementary School (K-5)	8
Massabesic Middle School (6-8)	91
Massabesic High School (9-12)	140

The total General Fund Budget for the 2017-2018 school year for RSU #57 is \$40,415,936. The Town of Limerick's local portion of this budget is \$3,130,567, which equals 12.79% of the total local tax assessment and represents an increase in Limerick's local tax of \$143,627 or 4.81% over the 2016-2017 assessment. The district per pupil expenditure continues to be one of the lowest in the state, while the instructional programs and services continue to meet the needs of the students.

Educating our children is a cooperative effort between school and community. We welcome your participation in this process. School Board meetings are held on the second and fourth Wednesday of the month at 7:00 p.m. and a schedule of meetings can be found on our website or you can contact RSU #57's Central Office and we can provide this information. Additionally, the District Budget Meeting will be held on Tuesday, May 15, 2018 at the Massabesic Middle School at 7:00 p.m. in the cafeteria. We hope you can attend.

In closing, I would like to thank the communities of RSU #57 for the support provided, enabling us to provide quality experiences aligned to our educational purpose.

Respectfully submitted,

Larry Malone RSU #57 Superintendent of Schools

Alfred - Limerick - Lyman - Newfield - Shapleigh - Waterboro

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

PAUL R. LEPAGE

Dear Citizens of Limerick:

For the past seven years as your Governor, my priority has been to make Maine—our people—prosper. Helping you keep more money in your wallet by reducing taxes has been part of that mission.

Too many Maine families are facing skyrocketing property taxes that strain household budgets. Our elderly on fixed incomes are particularly vulnerable to these increases. School budgets are often blamed for annual increases in property taxes. But there's another reason. A tremendous amount of land and property value has been taken off the tax rolls, leaving homeowners to pick up the tab.

As of 2016, towns and cities owned land and buildings valued at nearly \$5.5 billion statewide. Large and wealthy non-profits, such as hospitals and colleges, often escape paying property taxes on their vast real estate holdings—totaling more than \$5.1 billion statewide.

In Maine, nearly 2.5 million acres of land have been set aside for conservation by the federal and state governments and non-profit organizations, including land trusts. Municipalities are losing out on property taxes on an estimated \$2 billion in land that has been either removed from the tax rolls or prohibited from development—shifting the cost of municipal services to local homeowners through higher property taxes.

It's time to recognize the results of taking property off the tax rolls and identify solutions to reduce the burden on our homeowners. My administration's proposals have been met with staunch resistance.

In 1993, about 35,800 acres of land were documented as land-trust owned. That number has increased by an astonishing 1,270 percent. Land trusts now control over 490,000 acres with an estimated value of \$403 million. We must restore the balance. We will be working this session to ensure all land owners are contributing to the local tax base. It's time for them to pay their fair share.

I encourage you to ask your local officials how much land in your municipality has been taken off the tax rolls, as well as how much in tax revenue that land would have been contributing today to offset your property taxes.

If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage Governor

CHELLIE PINGREE CONGRESS OF THE UNITED STATES 197 DISTRICT, MAINE

Dear Friend.

I hope this letter finds you well. It's a privilege to share an update on my work to represent you and your family in Washington and in Maine.

Even though Washington is so bitterly divided these days, I've continued to look for bipartisan opportunities to address issues important to our state. Nearly all the bills I've introduced this Congress have Republican cosponsors.

One piece of legislation would help protect our state's economy by investing in working waterfronts. Another would allow Mainers to import less expensive prescriptions from Canada. And several bills would help our farmers capitalize on the fastest growing areas of agriculture—local and organic sales—by investing in research, increasing consumer access to healthy food, and improving farmer programs.

I'm happy to report bipartisan victories for our veterans as well. After working for years with Maine's Congressional Delegation, we were finally able to push a much-needed expansion of the Portland VA Community Based Outpatient Clinic through Congress. Legislation I introduced to help veterans who find themselves in debt to the Department of Veterans Affairs unanimously passed the House of Representatives. And full GI Bill benefits were extended to a group of veterans who had been denied them previously—an issue I've introduced legislation to address.

While I strive to find common ground with my colleagues on everything from rural broadband access to economic development, there are many areas where I will not compromise. I have serious concerns about direction the Trump Administration and its allies in Congress are taking our country. In so many ways, they have abandoned America's leadership in the world, made our country less safe, and are jeopardizing our future. They've weakened our health care system, rigged the tax code against working families, and endangered the environment. With one hand, they are taking away resources our families and communities need. With the other, they are offering generous giveaways to giant corporations and the wealthiest Americans.

Over the last year, I've received an unprecedented amount of feedback on these issues from my constituents. With their concerns and interests in mind, I have fought hard against these policies. I will continue using my role in Congress and the Appropriations Committee to hold the Administration and the President accountable.

Please keep in touch with your views or if there is anything I might be able to help you with. My office assists hundreds of constituents every year who have issues with federal programs or agencies. It's an honor to serve you.

Take care,

Chellie Pingree Member of Congress

January 2018

Dear Friends and Neighbors;

Thank you for the opportunity to again serve the people of Limerick in the House of Representatives as your voice in Augusta. It has been my honor to represent District 22 as Maine citizens continue to face many challenges. As I complete my third term in the House of Representatives, I look forward to working with fellow legislators across the aisle and with the Governor to find solutions to the long term problems that we face, in hopes of ensuring an effective and efficient government that handles your taxpayer money with the responsibility it demands.

Upon returning to the Second Session of the 128th Maine Legislature, I will continue to serve on the Joint Standing Committee on Environment and Natural Resources. This committee will be faced with many decisions that will affect residents of our district and across the State of Maine. I look forward to continuing the work of this committee.

If you would like to receive my weekly e-newsletter or if you have any questions or about your state government please send an Jonathan.Kinney@Legislature.Maine.gov

Sincerely,

Jonathan Kinney State Representative

SUSAN M. COLLINS

410 DRRKSEN SENATE OFFICE BUILDING WASHINGTON, DC 20610-1904 (202) 224-2523

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from this past year.

Maine has the oldest average age in the nation. As Chairman of the Senate Aging Committee, my top three priorities for the Committee are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security. Following the Committee's investigation into skyrocketing prescription drug costs, I authored bipartisan legislation to foster generic competition, which was signed into law. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for seniors to report suspected fraud and receive assistance. To support the 40 million family caregivers in the United States, I am proud to have authored the RAISE Family Caregivers Act to create a coordinated strategy to support family members who make countless personal and financial sacrifices to care for their loved ones

The opioid crisis touches families and communities across our state. As a member of the Appropriations Committee, I fought for significant increases in funding to support community, law-enforcement, and public health efforts. In April, the State of Maine was awarded over \$2 million to fight this devastating public health crisis. Additionally, I have authored legislation to support grandparents and other extended family members who are raising grandchildren as a result of the nation's opioid epidemic.

Biomedical research has the potential to improve and save lives, and also supports good jobs at research facilities here in Maine. Last year, the Appropriations Committee approved a \$2 billion increase for the National Institutes of Health for the third consecutive year. This includes an increase of nearly 30 percent for research on Alzheimer's, our nation's most costly disease. As founder and co-chair of the Senate Diabetes Caucus, I work to raise awareness of the threats posed by diabetes, invest in research, and improve access to treatment options. My bill to establish a national commission of health care experts on diabetes care and prevention was signed into law in 2017.

We owe our veterans so much. Last year, I worked to secure the authorization of a Community-Based Outpatient Clinic in Portland to support the health care of Maine's veterans in the southern part of our state. I also worked to secure funding extensions to help veterans throughout rural Maine receive health care within their communities. I also worked to secure funding for housing vouchers for veterans to reduce veterans' homelessness.

Maine's contributions to our national security stretch from Kittery to Limestone. I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard for construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen our national security and preserve great jobs in our state.

As chairman of the Transportation and Housing Appropriations Subcommittee, I worked to increase funding for the TIGER program that has provided Maine with more than \$122 million for vital transportation projects. For housing, I worked to provide \$160 million to help communities protect children from the harmful effects of lead poisoning.

Growing our economy remains a top priority. I supported the comprehensive tax reform bill because it will help lower- and middle-income families keep more of their hard-earned money, boost the economy, and encourage businesses, both small and large, to grow and create jobs here in Maine and around the country. This legislation contains key provisions I authored that are important to Mainers, including preserving the deduction

for state and local taxes, expanding the deduction for medical expenses, and enabling public employees such as firefighters, teachers, and police officers, as well as clergy and employees of nonprofits, to make "catch-up" contributions to their retirement accounts. I led the effort to ensure that the tax cut will not trigger automatic budget cuts to Medicare or any other programs.

A Maine value that always guides me is our unsurpassed work ethic. As of December 2017, I have cast more than 6,500 consecutive votes, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Limerick and Maine in the United States Senate. If ever I can be of assistance to you, please contact my York County office at 207-283-1101 or visit my website at www.collins.senate.gov. May 2018 be a good year for you, your family, your community, and our state.

Sincerely, Lunan M Collins

Susan M. Collins United States Senator ANGUS S. KING, JR.

133 HART SENATE OFFICE BUILDING (202) 224-8344 Website Http://www.Koig Senate.gov

COMMITTEE:
ARMED SERVICES
BUDGET
ENERGY AND
NATURAL RESOURCES
INTELLIGENCE
RULES AND ADMINISTRATION

January 3, 2018

Dear Friends,

Representing Maine in the United States Senate is an honor.

I continue my work on the Senate Armed Services Committee, each year authorizing the funding required to build our military capabilities and ensuring that our service members are trained and equipped to defend our nation. I was pleased to be part of a bipartisan effort to enact a new law to simplify the appeals review process to reduce the backlog our veterans are facing, as well as a new law that provides critical funding to the VA Choice Program, allowing veterans in rural Maine to access services closer to home.

While my committee work is important, working to combat the opioid epidemic is one of my top priorities. Although Congress has made some important strides, much remains to be done to provide additional funding for prevention, treatment and enforcement. I am working with colleagues on both sides of the aisle to pressure the Drug Enforcement Administration to reduce the amount of opioids produced and to thwart the flow of fentanyl and other deadly drugs into our country.

I am very optimistic about the integrated, multiagency effort I led with Senator Collins to foster innovation and commercialization in Maine's forest economy. Through the Economic Development Assessment Team (EDAT) we are already experiencing increased federal investments that will strengthen our existing forest products industry and help support job creation in rural communities. Initiatives like Cross Laminated Timber, Combined Heat and Power, nanocellulose, 3D printing with biobased materials and other biobased products will mean that Maine's wood-basket will continue to be a major jobs and economic contributor for our future.

Finally, the coming year will continue the work of the Senate Select Committee on Intelligence in the ongoing investigation of Russian interference in the 2016 election. Our Committee has held seven public hearings and numerous classified sessions, reviewed tens of thousands of pages of documents and conducted hundreds of interviews. I remain focused on the security of our elections and committed to developing strategies to prevent interference by foreign governments in our democracy.

May 2018 be a good year for you, your family, your community and our great State.

Senator David C. Woodsome 3 State House Station Augusta, ME 04333-0003 (207) 287-1505

Dear Friends and Neighbors:

I would like to thank you for the opportunity to represent you in the Maine Senate. It has been an honor to work on your behalf to make our state an even better place to live, work and conduct business.

On August 2, Maine lawmakers finally adjourned for the year, after what proved to be the longest session in recent memory due to a brief government shut down over budgetary disagreements. While no state budget is ever perfect, the end product was a state budget that makes a record investment in our students, supports our communities and will tremendously benefit small businesses and our economy.

Perhaps the most significant action the Legislature took last year, as part of the biennial budget, was the removal of the burdensome, job-killing surtax that was already hurting small businesses, doctors and other professionals that we so critically need. In November 2016, voters sent a clear message that education funding was to be a priority of the 128th Legislature, and we heard that message loud and clear. However, the funding mechanism which was included in the measure – the surtax – presented a serious threat to the state's economy. This new tax gave Maine the ominous distinction of being the highest-taxed state in the country and primarily impacted small businesses, which are the backbone of our economy, taxing them at a rate that is higher than larger corporations are subject to pay. I am proud to say that after much hard work and negotiating and thanks to our rebounding economy, we were able to support our local schools at a level we have never been able to before – without any additional taxation.

The Homestead Exemption, which provides much-needed property tax relief for homeowners, was also preserved in the budget with an increased exemption of \$20,000.

The Legislature also passed a measure to make Maine compliant with the REAL ID Act. As a result of this important new law, the federal government has granted Maine a waiver, meaning that Maine citizens can continue to use their driver's licenses to board commercial airplanes and access certain federal buildings.

While we accomplished much, there is still a lot of work ahead of us next session. Again, thank you for putting your trust in me to represent you in Augusta. Please feel free to contact me if you need help in navigating the state bureaucracy. I can be reached at home at 432-5643, in Augusta at 287-1505 or by email at dcwoodsome@gmail.com. Thank you for allowing me to be your senator.

Sincerely,

Senator Dave Woodsome

Sallie Chandler

York County Commissioner

District 1

salliebc@metrocast.net

County of York Commissioners Office

Thanks to sound management, the County continues to provide excellent services to our towns, cities and citizens. We have been able to keep tax increases to cities and towns below two percent despite increases in the rate of inflation and health costs.

The Board of Commissioners continues to support the Contract Deputy program. The Sheriff's Department patrols nine of the twenty-nine towns in the County. Our rural patrol provides the level of protection required by State Statute. If your town decides that a higher level of protection is wanted, the citizens may vote to contract a deputy from the Sheriff's Department. The Maine State Law requires that the county recoup the full cost of the program from the municipalities.

The County Animal Response Team is entering its third successful year with a strong volunteer base of thirty people. The York County team is the largest and most active team in the State.

The County is committed to recognizing community service and held the second Spirit of America awards ceremony in November. Nine citizens and one group were recognized for their commitment to their communities and volunteerism. If in your town you have someone to nominate please contact Bruce Flaherty at bwflah@gmail.com

The food pantry in conjunction with The York County Shelter is open. This will provide vital services to those who suffer from food insecurity. York County is proud to be a partner in this endeavor.

The Layman Way Recovery Center is on track. The Recovery Center is aimed at treating the many addictions that folks suffer from. Planning is going well and with the help of the budget committee we are anticipating an opening on April 1.

In conjunction with the Sexual Assault Response Services of Southern Maine (SARSSM) York County opened the Child Advocacy Center of York County. This is a vitally important service to children who have suffered sexual abuse and trauma. This group is housed in the courthouse basement.

Respectfully Summitted , $\it Sallie\ Chandler$
