Marketing Update From Vicky Porter

My first few weeks here at Parkside Village have been spent getting to know the processes, keeping focused on providing accurate information to potential new and current residents along with learning new software.

One of my goals is Brand Awareness and what our Brand means, not only to our residents but future residents and the community. The message needs to be the same across all our communications.

I have enjoyed my time thus far and getting to know a few of you! If you haven't stopped in yet, please do so! I would love to learn something unique about you!

About me: I was an extra in the movie, "The Boy Who Drank Too Much"

Sunshine Club- Dissolved

Special thanks to **Carol and Dave Hensen** for many years of service to Parkside Residents for sending cards & gifts to those who lost spouses or were hospitalized!
