Your Pastor's Thoughts

Happy New Year! I hope you are excited and ready to serve the Lord faithfully this year! Over the last few years we have done many things as a church family to show God's love and share the gospel as a church family! I am excited for all of the gospel seeds that have been planted. This year be ready to focus on a new element of our calling as the body of Christ. This focus is on the call as individual members of the body. Our culture has shifted tremendously over the past fifty years. It used to be that non-Christians would walk into the doors of a church to check it out because that was what was culturally normative. Not so anymore. It is becoming more and more strange to be a Christian in our culture. This means people aren't going to come in often without us first going out to them individually. This year we focus on our role as individuals to be witnesses to the lost. As people hear and receive the gospel their hearts will be changed and they will desire to fellowship with Christians and to grow in their faith. I hope you are excited to share your faith with others this coming year and to watch and see God's faithfulness to work through His word!

In Christ, Pastor Pete

Did you know? The Church year begins in April with our Annual Family Meeting.

Wednesday Nights we serve a donation dinner at 5:15 pm from the kitchen committee members. Second Wednesday is covered dish for everyone to contribute to our meal. We have an Easter Festival, Fall Festival and Christmas Festival each year. We also have a soccer season which will begin in February with evaluations.

So keep watch on the calendar, there is always something to do here!

FIFTH SUNDAY'S ARE SPECIAL!

Fifth Sunday's we gather together after our regular service for lunch and the Lord's Supper as a church family. We have grown so accustomed to taking the Lord's supper during a morning worship service that it seems strange to do it in any other context. It particularly seems strange to celebrate the Lord's supper while sitting around tables together and sharing a meal. The reality is that the Lord's Supper was something that the early church celebrated during mealtime together. They were probably in somebodies house. There were likely children laughing or crying, donkey's braying, and flies buzzing. They were family. It was a family meal. They were celebrating Jesus, His body broken, His blood poured out, for the church family. Come join the family in true fellowship on fifth Sunday's, bring a meal, and be ready to think about all that Jesus has done for us!

Fifth Sunday's we also take up a special benevolence offering. This is a special offering that is set aside to help our church members or those who are closely connected with our church when a financial burden hits. As the church we are called to care for those in need but, the Bible seems to indicate that we begin with our own people and then reach outward toward the world. Will you consider giving a financial gift above your regular giving to help those in need?
