

# She work hard for the money **339**

(2 times)

She works hard for the money, so hard for it, honey  
She works hard for the money, so you better treat her right

Onetta, there in the corner stand, and she wonders where she is  
and it's strange to her, some people seem to have everything

9 AM on the hour hand, and she's waiting for the bell  
and she's looking real pretty, just waiting for her clientele

(Chorus 2 times)

Twenty eight years have come and gone, and she's seen a lot of tears  
Of the ones who come in, they really seem to need her there

It's a sacrifice working day to day, for little money, just tips for pay  
But it's worth it all, to hear them say that they care

(Chorus 2 times)

She already knows, She's seen her bad times  
She already knows, These are the good times

She'll never sell out, she never will  
not for a dollar bill, she works hard!

(Chorus 2 times)
