

## Admission Process

1. Home health orders will be provided to Hoosier Home Health by your physician.
2. Within 48 hours after receiving a referral or orders from your physician, a Hoosier Home Health RN will call to schedule a home visit for intake assessment.
3. If you agree to our services, the admission process begins and a comprehensive assessment will be completed.
4. Hoosier Home Health, along with your input, will develop a plan of care that meets your needs.
5. As a patient of Hoosier Home Health, we will coordinate all of your home care needs with you, your physician and other service providers.
6. If you have any questions about how we work, please don't hesitate to call us at 812-822-3399.

**We are here to help!**

Hoosier Home Health operates in compliance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975. We do not discriminate on the basis of race, color, sex, national origin, age, diagnosis or disability with regard to admission, access to treatment, or employment. We make every effort to comply with these and similar statutes.

## Skilled Nursing

Our Registered Nurses (RN) are highly skilled and dedicated to providing quality, compassionate home care. An individualized, patient-centered plan of care is developed after the RN's initial evaluation. In close collaboration with your physician, the RN's, as well as our Licensed Practical Nurses (LPN), provide skilled nursing services which may include:

- assessment and monitoring of condition
- wound care
- dressing changes
- medication administration and instruction
- patient and family education
- bowel and bladder management
- catheter insertion and care
- ostomy care
- pain management
- chronic disease management
- self care
- new diagnosis education
- restorative care
- infectious disease management
- post surgical care
