Plan D: The Financial Aid Plan

PLEASE NOTE: The SCHOOL does NOT SEND any PAYMENT to us. Financial Aid checks are mailed in the student's name to the 650 W. German St. Office address. Student's then use the check to pay their rent.

We understand that money is tight these days. That is why we accept rent payments on a schedule that works with the Financial Aid check disbursements from your school.

When working with Financial Aid, we divide the total rent owed into 2 semesters since that is how the money is disbursed from the school.

One Bedroom Apt - \$7800/year minus \$300.00 Advance Rental Payment = \$3750.00/Semester
