Afterglow

I'd like the memory of me to be a happy one.
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve, to dry before the sun;
Of happy memories that I leave when life is done.

If I Should Go Tomorrow

If I should go tomorrow
It would never be goodbye,
For I have left my heart with you,
So don't you ever cry.

The love that's deep within me,
Shall reach you from the stars,
You'll feel it from the heavens,
And it will heal the scars.
