

April News

Focus for April

This month our team plans to focus on the changes that come with Spring! With these changes come many opportunities to explore plants, weather, light, bugs, and more! We will discover through science experiments and observations as well as sharpen our language skills through creative writing activities.

Re-registration and open Enrollment

As the school year is coming to an end, it is time to re-register for after school care for the 2019-2020 school year. To register, simply logon to your myprocare account and click the re-registration tab. If you need to add a new student onto your account, see Ms. Mandy for more information.

Teacher Spotlight!

Ashton Jordan

Group Leader of 9-11-year old's

What do you love most about your job with LEAP?

Here at Leap I get to work with an amazing group of kids who not only make me love my job, but truly have an impact on me as a person.

What are your hobbies?

My hobbies include reading, traveling, and cooking. I like to experience and understand different cultures.

Where do you see yourself in 10 years?

In 10 years, I hope to be teaching young students at one of our local elementary schools.

What advice would you like to give your students?

I tell my kids every day, be kind to everyone you never know what kind of impact you might have on them.

Summer Camp!

Registration for LEAP Summer Camp is open! Camp will be held June 3- August 2 from 7:30am- 6:00pm. Campers will go on weekly field trips and will be given many learning and enrichment activities throughout the week. Visit www.leapydp.com, then click 'Summer Day Camp' to register or learn more!
