It's time to register for...

Summer Camp & Fall 2022

Please fill out a re-enrollment form at qrpc.org to secure your placement for summer camp and for fall 2022.

You are a valued customer to us, which is why we are offering you a discounted registration fee if we receive your re-enrollment form by February 4th. If we have a waiting list, priority will go to currently enrolled children and their siblings first, and returning children and their siblings second. After February 4th, we will open enrollment to the public at which time it will be "first come, first served for everyone". We did have a waiting list last year for both summer and fall, so please register now to save money and avoid disappointment later.

Dear Prospective Kindergarten Parents,

Planning for the 2022-2023 school year has begun! The Quentin Road Christian Preschool has a wonderful kindergarten program. We utilize an exceptional reading readiness curriculum enhanced by Spanish, music classes, gym classes, drama, art, touch math, ipads and computers. Children must reach their fifth birthday by September 1, 2022 to enter kindergarten for the 2022-2023 school year. A Kindergarten screening will be offered in the spring for all children entering our Kindergarten program.

The Quentin Road Christian Preschool will hold an informational meeting for parents of prospective kindergarten students at 7:00pm on Wednesday, February 2nd. The purpose of this meeting is to provide interested parents with information about the kindergarten program and to address parental questions or concerns about their child's readiness for kindergarten. (Children should not attend this meeting, but we will provide childcare for those who need it.) We will show a DVD of the highlights of a typical day and explain the curriculum for kindergarten. You will have the opportunity to meet with the teachers, see the classroom, and ask questions. Families that have had siblings enrolled in our kindergarten program within the past 2 years do not need to attend the informational meeting.

Kindergarten applications can be found online at qrpc.org. We are looking forward to an exciting 2022-2023 school year.

Sincerely,

Molly Julian
Director
