

Tributes to the Late Mr. Nathaniel Teddy Boston (4024) by Mr. Israel O Parper Snr.

[Sancta Maria, Mater Dei, ora pro nobis peccatoribus, nunc et in hora mortis nostrae. Amen]

Mr. Teddy H Boston was one of my best Long Term Senior friends and of my family

since I was very young. He was a formidable Regentonian, a great supporter of the Old Boys Union. Picture show him (back turned) and other teachers and pupils participating in our march to State House in 1991 in protest against the illegal occupation and

encroachment of our School land. His service at the Labour Ministry was well respected. He assisted many who were in seek of jobs and left his mark in as an effective Civil Servant. On retirement, he serves the country in other

capacities. As a respected Christian churchman he was one of the pillars of St Georges Cathedral, where I served as Acolyte for a considerable time. He was a great Mason and was steadfast and diligent in his service to Masonry.

The advent of the war forced him to spend some time in the UK and later in the USA but recently returned home where he lived until his final day. He will be greatly missed.

My sincere condolences to Mrs. Boston, the children, and the entire family at Home and Abroad. I and many of my family members and friends will miss him too - for he was one of those persons' who took and had sincere interest in my entire life's concerns and genuinely too.

May the soul of Mr. Teddy H (or NHT) Boston and the souls of the other Regentonians, recently departed, Rest In Perfect Peace.
