To Whom it may concern

Worksite Health and Safety

I have been involved in several projects in the last 10 years as Engineers or Owners Representative where Vuksich and Borich (NZ) Limited has been the main contractor.

In particular:

- King's College Sports Complex
- Clinker Place Clean Full site
- Saint Kentigern College synthetic field development
- Saint Kentigern College Girls School and Arts Block civil works

During this period Vuksich and Borich have maintained a high standard of Health and Safety compliance; there have been no significant H&S issues on these projects and they have demonstrated a committed and active attitude to Health and Safety.

Yours sincerely
