Get to Know the Shelter Cove Fire Department's Duty Officer Program

Ever wonder what the little red fire truck is doing driving
around? Shelter Cove Fire has a solid volunteer-based
department that supplements our 24/7 Duty Officer
Program. Shelter Cove Fire has six part-time paid call
duty officers who include four
EMT1s, one full time Fire
Chief, and one Paramedic. The
Shelter Cove Duty Officers are
trained to the California Fire
Marshal Firefighter 1 level or
higher and many have a high
number of company officer and
rescue classes. Shelter Cove has
one of these Duty Officers on
call 24/7, 7 days a week to
ensure when someone dials 911
in Shelter Cove there will
always be someone responding
in a Fire Engine just as fast as a
big city department. The Duty officer is in or around the
station starting at 9am and takes the new type 6 quick
attack (5147) home at night ensuring the fastest possible
response during the nighttime hours as well. The Duty
Officer's "Quick Attack" engine is a state of the art rescue
vehicle set up to respond to any type of emergency
including medical aids, fires, ocean rescue, rope rescue,
auto extrication, all types of public assists and even
vehicle lock outs. If anyone has any questions or would
like to check out any of SCFD's equipment please feel free
to come down to the station anytime the doors are open.

From the Humboldt County Joint Information Center:

All Humboldt County residents who want to receive the COVID-19 vaccine can now submit their contact information through an online interest form to be notified when doses are available for their tier. Currently in Humboldt County, priority is given to frontline health care workers and people age 75. Vaccination appointments, while still limited, will be expanded to some in the coming days and weeks.

Access the COVID-19 Vaccine Interest Form for Individuals here: www.humboldt.gov/InterestForm

Local information is available by contacting covidinfo@co.humboldt.ca.us or calling 707-441-5000.

From Southern Humboldt Community Healthcare District:

SoHum Health is following the guidance provided by the county related to the use of the COVID-19 vaccine. Each vial carries a minimum of five doses, often six doses, and on occasion seven. To comply with the current tier-intended target, we pre-schedule all appointments for vaccination. On occasion, particularly with the larger vaccine clinics there may be more doses available at the end of the session. On such occasions, we may provide the vaccine to people outside of the currently approved tier rather than waste the additional vaccine. If your name is not on the list, we can't call you!

To put your name on the COVID-19 vaccination interest list and to find out more information about the COVID-19 vaccination and/or testing please go to our website: www.SoHumHealth.org to sign up online or call (707) 923-3921 and enter extension #246 to leave your name, date of birth, phone # and if you are interested in the vaccination or testing or both.

If you are a Redwoods Rural Health Center patient, please go to their website: www.rrhc.org

Utility Payment Assistance Information:

If you need payment assistance for your RID utility please contact the District office.
