

Woman in love

364

Life is a moment in space, when the dream is gone

It's a lonelier place

I kiss the morning goodbye, but down inside you know
we never know why

The road is narrow and long, when eyes meet eyes
and the feeling is strong

I turn away from the wall, I stumble and fall
but I give you it all...

Chorus: I am a woman in love, and I do anything
to get you into my world, and hold you within

It's a right, I defend, over and over again, what do I do?

----- Instrumental interlude -----

With you eternally mine, In love there is
No measure of time

We planned it all at the start, that you and I
would live in each other's hearts

Woman in love

364

We may be oceans away, you feel my love
I hear what you say

No truth is ever a lie, I stumble and fall
But I give you it all

Chorus: I am a woman in love, and I do anything
to get you into my world, and hold you within

It's a right, I defend, over and over again, what do I do?

----- Instrumental interlude -----

I am woman in love, and I'm talking to you
do you know how it feels? What a woman can do

It's a right That I defend over and over again.....

Chorus: I am a woman in love, and I do anything
to get you into my world, and hold you within

It's a right, I defend, over and over again, what do I do?
