 - John Faulise from Boundaries, LLC answered questions about Rec Commissions possible locations for a community basketball court.

 - Overall, the Youth Center location was identified as the better choice, by including a seating area overlooking the waterfall.
 - John was going to do a drive thru afterwork to take a look at the location and address concerns with a plan for snow removal location, parking, etc.
 - Friends of Pachaug & Rec Commission Blue Line Trail creation in the forest area next to Public Works was discussed, and no matter where the location of the basketball court, members agreed that we should do this project, as well.

(Commission regrouped but only Carol, Darren and Ken which was not enough for a quorum)
