

Born to be wild

91

Get your motor running, head out on the highway
Lookin' for adventure, in whatever comes our way

Here and god are gonna' make it happen
Take the world in a love embrace
Fire all of your guns at once and, explode into space

I like smoke and lightning, heavy metal thunder
Racin' with the wind, and the feeling that that I'm under

Here and god are gonna' make it happen
Take the world in a love embrace
Fire all of your guns at once and, explode into space

Like a true nature's child we were born, born to be wild
We can climb so high, I never want to die

Born to be wild, Born to be wild ...

Get your motor running, head out on the highway
Lookin' for adventure, in whatever comes our way

Here and god are gonna' make it happen
Take the world in a love embrace
Fire all of your guns at once and, explode into space
