

NEW UPDATES

From this update on, we will be going to a quarterly update centered on GEMS and its ministries; The main focus of this update will no longer be on our family personally. While much of the updates will involve our family, this report will be centered on the updates of the Mission itself.

Our family updates will be via email and GEMS' Facebook updates. You can sign up for the email updates at www.GEMS4Christ.com

SHORT FURLOUGH

We arrived back in the U.S.A on February 26th and spent most of March in the Philadelphia, PA and nearby New Jersey area, preaching, visiting churches, etc. We also held our first ever, regional GEMS conference at Faith Independent Baptist Church in Philadelphia, Pa. and had had a wonderful time at that conference.

We are getting medical care for my wife as well as travelling presenting GEMS and if all goes well as we are hoping and praying for, we will return to Ghana the beginning of October.
