## MISSIONARIES TO HONDURAS

April 2019

### Pastors Ordained

Pastor Gustavo Silva, the pastor of the Light of the World Baptist Church in Ojojona, began ministry in the village of Aragua, near Ojojona. After studying in Bible Institute in Ojojona, he felt called into full-time ministry. Eventually, the church in Ojojona called him to be their pastor. This past month I had the privilege of participating in his ordination along with several other national pastors and missionaries!

### Student Outreach

The Spring Semester at the Bethlehem Baptist Seminary is flying by at an amazing pace! As we push into the final weeks of this period, the students gear up for two major events that they will be organizing. They have been invited to run Children's Bible Clubs in two villages within a 40-minute drive of Danli. We have been given permission to preach the Gospel to all of the students in both schools as well as to have

parent classes. We are excited to show them that the best parental help is found in a relationship with God. At the same time as we are preaching, teams of workers from the States will be drilling water wells on the school property to provide each village with a clean source of water! Our desire is to see all of these activities increase the interest level in those that are considering entering the ministry in the future. We have had a few more young people state that they are considering enrolling in Bethlehem Baptist Seminary next semester!

### Prayer Requests and Praises:
