

Last train to London 153

It was 9:29... 9:29, back street, big city
The sun was going down, There was music all around, It felt so right.

It was one of those nights,
One of those nights when you feel the world stop turning
You were standing there, there was music in the air
I should have been away, but I knew I had to stay

CHORUS:

Last train to London, just heading out
Last train to London, just leaving town
But I really want tonight to last forever, I really want to be with you
Let the music play on down the line tonight.

It was one of those nights, one of those nights when you feel the fire burning
Everybody was there, everybody to share, it was so right.

There you were on your own
Looking like you were the only one around
I had to be with you, nothing else that I could do
I should have been away but I knew I had to stay.

REPEAT CHORUS

(Orchestra)

Underneath a starry sky, time was still but hours must really have rushed by
I didn't realize, but love was in your eyes
I really should have gone, but love went on and on.

REPEAT CHORUS

(Orchestra)
