

Everybody wants to rule the world

254

Welcome to your life,
there's no turning back
Even while we sleep,
we will find you

Acting on your best behaviour
Turn your back on mother nature
Everybody wants to rule the world

It's my own design,
it's my own remorse
Help me to decide,
help me make the most

Of freedom and of pleasure
Nothing ever lasts forever
Everybody wants to rule the world

There's a room where the light won't find you
Holding hands while the walls come tumbling down
When they do I'll be right behind you

Everybody wants to rule the world

254

So glad we've almost made it
So sad they had to fade it
Everybody wants to rule the world

----- Instrumental Interlude -----

I can't stand this indecision
Married with a lack of vision
Everybody wants to rule the world

Say that you'll never never never never need it
One headline why believe it?
Everybody wants to rule the world

All for freedom and for pleasure
Nothing ever lasts forever
Everybody wants to rule the world
