### President's Message

*Krystyna Kolesar*

How quickly the summer passed as we now edge into the autumn season. Most county school systems are now reopened and children have launched back into the academic schoolyear. For many of us, these next two months mark the busy season as we close one fiscal year and get ready to begin another.

Most recently, the President signed into law the Hurricane Relief Bill which includes \$15.25 billion for disaster relief efforts associated with Hurricanes Harvey and the California wildfires, as well as a three month Continuing Resolution (CR) and debt ceiling increase through 8 December. This CR continues funding at FY2017 levels, which does not allow any new starts and also prohibits DOD from any production rate increases. As a reminder, we operated FY2017 for seven months under a CR which limited our funding at FY2016 levels. Over the past several years, beginning the fiscal year under a CR has become our new normal.

Your ASMC chapter produces top-notch training opportunities as we continue to line up excellent luncheon speakers such as Mr. Andrew Haeuptle, the Director of Enterprise Business Integration, Deputy Chief Management Officer, and Mr. Wesley Miller, the Deputy Assistant Secretary of the Army for Financial Operations. Both speakers focus on topics—reform and audit—that generate much interest from our defense leadership. Furthermore, Executive Board continue efforts to strengthen our membership, improve our communication efforts, and document our business practices.

In this newsletter, I want to recognize and thank our tremendous volunteers who serve as Committee Chairs. Join me in thanking our fine teams:

- Training and Education Chair(s): Terry Placek and Millie Thompson
- PDI Chair: Deb Delmar
- Outreach and Publicity Chair(s): Wayne Whiten and Jeff Norris
- Audit Chair: David Zavada

In conclusion, I again encourage you to help us make the Washington Chapter a fundamental component of your professional activities! We ask that you share any thoughts and ideas with us.

Best, Krystyna

### August Meeting Recap

#### 24 August 2017 Meeting Synopsis – Mr. Andrew Haeuptle

Mr. Andrew Haeuptle, Director, Enterprise Business Integration, Deputy Chief Management Officer, share with us his experience of managing costs and driving efficiencies across DoD. Here are a few key points from his presentation:

- Exciting time in DCMO. Starting to see early outcomes from Cost Management, the key DoD initiative to understand true costs
- Focus on optimizing scarce resources for mission and readiness
- Great partnership across department and with industry team to develop foundation across 25 lines of business.
- Recently completed real property, now developing health and information technology. Critically important in this time of surging needs and budget constraints to understand what things really cost and reduce more costly providers of redundant services/capabilities.

While most candidates in the CDFM program are civilian or military/reserve members of the Department of Defense, U.S. Coast Guard, U.S. Army, U.S. Air Force, U.S. Navy, U.S. Marine Corps or employees of defense contractors or suppliers, the CDFM program is open to all candidates who have a high school diploma (or equivalent) and meet the following work experience qualifications:

Have the required number of years of defense-related financial management experience outlined below:

- **Two (2) years if you hold an Associate's degree or higher;** or
- **Three (3) years if you do not have a degree.**

OR

Do not have defense-related financial management experience, but can meet the following criteria outlined below:

- **Four (4) years of Federal government-related financial management experience;** and
- **An Associate's degree or higher.**

**There are three steps involved with earning your CDFM:**

**1. Enroll in the CDFM Program.** Your enrollment is valid for two (2) years, during which time you must take, and successfully pass, the three CDFM module examinations.

**2. Submit Your Verification of Financial Management Experience Form.** This form, which must be signed by a supervisor who can verify your work experience, must be returned to ASMC after enrolling in the CDFM program. You do not have to submit this form prior to taking a CDFM examination, but it is required prior to the awarding of the CDFM designation.

**3. Purchase and Schedule the CDFM Examinations.** Be sure to carefully – and completely – read the criteria associated with each testing option for the CDFM examinations. Failure to do so can result in the purchase of the wrong CDFM examination and/or the inability to test at your preferred location
