

Every breath you take

258

Every breath you take, and every move you make  
Every bond you break, eEvery step you take  
I'll be watching you

Every single day, and every word you say  
Every game you play, every night you stay  
I'll be watching you

Oh, can't you see you belong to me?  
How my poor heart aches, with every step you take

Every move you make, and every vow you break  
Every smile you fake, every claim you stake  
I'll be watching you

Since you've gone, I've been lost without a trace  
I dream at night, I can only see your face  
I look around, but it's you I can't replace  
I feel so cold, and I long for your embrace  
I keep crying baby, baby, please

Mm, mm, mm, mm, Mm, mm, mm

Oh, can't you see you belong to me?  
How my poor heart aches, with every step you take

Every breath you take
