## **Adult Lessons**

- The primary focus in teaching adults to swim is to be comfortable in the water and develop trust in their instructor.
- To learn that swimming can be mastered at any age and motivate individuals to learn.
- Learn to relax while mastering the recovery position from horizontal in the water and return to vertical. 3.
- 4. We will draw from present skills or begin from scratch.
- 5. We will test for buoyancy and show adjustments and skills that will assist in keeping their body horizontal for floating or swimming.
- To teach only the strokes which suit each person individually. There are strokes that do not require the face in the water.
- 7. Safety skills i.e., treading water, swim/float/swim.
