Adult Lessons

1. The primary focus in teaching adults to swim is to be comfortable in the water and develop trust in their instructor.
2. To learn that swimming can be mastered at any age and motivate individuals to learn.
3. Learn to relax while mastering the recovery position from horizontal in the water and return to vertical.
4. We will draw from present skills or begin from scratch.
5. We will test for buoyancy and show adjustments and skills that will assist in keeping their body horizontal for floating or swimming.
6. To teach only the strokes which suit each person individually. There are strokes that do not require the face in the water.
7. Safety skills i.e., treading water, swim/float/swim.
